Doukhobors Bomb And Burn Schools; Other Fires Set

Champion Creek Building Razed in New Outbreak

Church Fired

NELSON (CP)—British Columbia police today sought perpetrators of week-end incendiary and bombing attempts that destroyed one school and damaged another in Doukhobor-settled areas of the West Kootenay and Grand Forks districts.

In a recurrence of violence that has flared at intervals in communities settled by the Russian religious sect during the last 15 years, the school at Champion Creek was razed by fire and the veranda blown from the school at Ootischienia.

Minor damage was done by fire to the Sacred Heart Church at Grand Forks and to the Canadian Pacific Railway freight shed in the same city.

Attempts to fire the planing mill and an old unused school building in Brilliant failed when discovered by night watchmen of the National Trust Company, which recently foreclosed on Doukhobor property of the Christian Community of Universal Brotherhood.

FIND UNEXPLODED BOMB
An unexploded dynamite bomb was found by teachers under the Kamnane School, also in Brilliant, where a Vancouver school teacher and her fellow teacher and weekend guest were staying.

Awakened by the explosion which ripped the veranda from the Ootischienia school building where she had living quarters with Miss Irene Kelleher of Matsqui, and Miss Beatrice French of Nelson, Miss Wilma Milne of Nelson ran to the Kamnane school, some distance away.

She awakened Miss Clara Stewart of Vancouver, teacher at the school, and Miss French, who was staying there over the week-end. Investigating, the teachers found two dynamite sticks in a cardboard box with a burned-out fuse.

No one was injured in the outbreaks, first since the Doukhobor church at Thums and the sect's Pass Creek school were burned last August.

Miss Milne escaped injury by the blast, which ripped away the veranda of the Ootischienia school and smashed windows.

The school is composed of two brick buildings with a courtyard between. The three teachers occupied living quarters in the building next to that damaged by the explosion.

Mrs. A. E. Dalgas, teacher at the Champion Creek school, was absent in Nelson when the building was fired. Her personal effects were destroyed in the blaze.

TEACHERS WARNED
It was learned last night that teachers in Doukhobor districts several weeks ago received anonymous warnings to store any valued belongings elsewhere than in the schools.

At Carson, near Grand Forks, 3,000 fence posts were destroyed by fire Saturday night. In Grand Forks itself a fire was set on the rear steps of the Roman Catholic church and did slight damage to the steps and door casings before it was extinguished.

Britain Returns Envoy to Berlin

Henderson Back at Post; Possible Influence On Hitler's Coming Speech Discussed

By J. F. SANDERSON
Canadian Press Staff Writer
LONDON—Prime Minister Chamberlain told the House of Commons today that the return of Sir Neville Henderson, British ambassador, to his post in Berlin in no way means Great Britain has accepted Germany's annexation of Czechoslovakia.

"No special significance" should be attached to the return of Sir Neville, the Prime Minister declared.

He had been ordered to come to London a month ago to report on Germany's absorption of Czechoslovakia, had been given a short leave of absence and now was going back "in a normal way."

A Foreign Office spokesman earlier had said the sudden return of Sir Neville to Berlin "definitely does not indicate any change in Britain's new firm stand against aggression."

He had acknowledged, however, that if Mr. Chamberlain had any message for Hitler before the Fuehrer's speech next Friday to the Reichstag in answer to President Roosevelt's nonaggression appeal, the ambassador would be the natural person to convey it.

The question of Sir Neville's return to Berlin came sooner than had been anticipated. One usually reliable source said the British charge d'affaires in Berlin, Sir George Ogilvie-Forbes, had requested that Sir Neville go back.

Other reliable reports said Sir Neville's mission in Berlin had "nothing to do with any return to 'apportionment,'" but said there was "a specific reason" for the British government's order to send him back. This course, however, gave no indication of the reason.

NAZIS CLAIM SUCCESS
BERLIN (AP)—Return to Berlin of British ambassador Sir Neville Henderson was followed today by official disclosure that the German ambassador to Great Britain, Herbert von Dirksen, would go back to his post "very soon."

Von Dirksen had been called back to Berlin soon after Sir Neville was summoned to London to report on the German occupation of Bohemia and Moravia in the break-up of Czechoslovakia last month.

The British embassy said no arrangements had been made for Sir Neville to call at the Wilhelmstrasse, and that he was carrying no special message. Nevertheless, his reappearance in Berlin was deemed by the average German to constitute triumph for German diplomacy.

Advice for Hitler
PARIS (CP)—A Havas News Agency dispatch from London tonight said it was learned Ambassador Sir Neville Henderson will tell the German government that Great Britain agrees with President Roosevelt's peace appeal and will feel obliged to introduce compulsory military service unless Chancellor Hitler makes a favorable reply.

The first warning of the fired Grand Forks freight shed. His timely call to a telephone operator that flames were creeping along the base of the shed brought fire fighters who checked the blaze before it had caused extensive damage.

AFTER FUNERAL
The latest outbreak came almost two months from the time Doukhobors buried Peter Verigin, leader of the sect in Canada and son of Peter Verigin the Elder whom he succeeded when the latter died in the Farron dynamiting.

In death-bed counsel read at his burial, the second Verigin had urged his followers to forget their bickering with members outside the orthodox community and to branch out from their community way of living into individual efforts. His son, Peter, was named leader of the sect, but they were advised by their late leader not to send for the boy at the present but await his coming from Russia on his own initiative.

Fire at Hammond
HAMMOND, B.C. (CP)—Fire of unknown origin broke out in dry-kilns of the Hammond Cedar Company early today and caused damage estimated at \$15,000 to \$20,000.

There was little doubt in the minds of men who follow the political game that Sir Neville would urge moderation in Chancellor Hitler's reply to President Roosevelt before the Reichstag next Friday. It was further taken for granted he would explain to Berlin authorities that Great Britain has no desire to "encircle" Germany.

TO MEET RIBBENTROP
A Foreign Office spokesman hinted that before Hitler's address Friday the British ambassador would have an opportunity to acquaint Foreign Minister Joachim von Ribbentrop with the British government's latest views.

They said both the French and British general staffs were convinced Great Britain must obtain Russia's aid if Prime Minister Chamberlain's promises to help Poland, Roumania and Greece defend their independence are to succeed in blocking further German-Italian moves.

Frenchmen have expressed alarm at what they call the pyramiding of military commitments they and Great Britain have given smaller nations while Russia has not given her support.

The French view is that conscription would have a decisive psychological effect on all countries, particularly the Soviet Union.

FORESEEN BY CHURCHILL
LONDON (AP)—Winston Churchill in an address today supported the government's new recruiting drive. He said: "It is increasingly probable we shall have compulsory national service before long."

DRIVE GAIN
LONDON (CP)—A renewed drive for conscription broke out in Great Britain during the week-end.

The subject has come to the forefront of the political stage as a result of the government's establishing of a ministry of supply. Conscription was regarded as a lost cause so long as there was no ministry of supply because it was not much sense recruiting a large army so long as equipment was lacking.

German diplomats have given an added impetus to the conscription drive here. In the chancelleries of southeastern Europe Chancellor Hitler's envoys have been asking what was the use of relying on British military assistance so long as conscription was not used to enroll a land force. That cry has been raised in several countries, where a nation's strength still is measured by the numerical size of its army.

FRANCE MAY FOLLOW
PARIS (CPHavas)—Robert Coulondre, French ambassador to Germany, is likely to return to Berlin, following the example of Sir Neville Henderson, British envoy, already back at his post.

The decision to send the ambassador back to Berlin was said to have been taken during Anglo-French consultations in the past three days.

SIR ABE BAILEY FORESEES CRISIS
South African Going To Britain Predicts European Trouble in June

CAPETOWN, South Africa (CP)—Sir Abe Bailey, millionaire philanthropist and sportsman, predicted a European crisis in June in a farewell message to South Africa today before sailing next Friday for England "for the last time."

Sir Abe, 74, lost his legs in two operations within the past two years.

"When I left England believing the policy of Hitler and his satellite, Mussolini, was at some future date to make war against France and England," he declared, "I said I thought the crisis would come in June, when their striking power would be at its highest."

"Today, when the world is proceeding to bankruptcy through armament, I see no reason to change my view. I see worse days ahead."

Sir Abe, owner of famous racehorses, has almost always gone to England for the Derby, to be run this year May 24 when his colt Fairstone is expected to be among the favorites.

Now he says it is his last trip.

Food for Gibraltar
GIBRALTAR (AP)—An order designed to provide sufficient food supplies for any emergency was issued today by the government of this western gateway of the Mediterranean.

The order placed the importation of flour, sugar, meat, cereals, tea, coffee and other vital foodstuffs under control of licenses issued by the governor.

France Urges Britain Quickly Vote Conscription

Compulsory Service Seen as Essential If Russia to Help

Soviet Aid Needed

PARIS (AP)—France was said today to have urged Great Britain hurriedly to adopt military conscription as the quickest way to obtain Russian support and ensure peace.

Informed French circles said Sir Robert Vansittart, chief diplomatic adviser to the British government, had taken back to London such a suggestion from France for the British cabinet to consider.

They said both the French and British general staffs were convinced Great Britain must obtain Russia's aid if Prime Minister Chamberlain's promises to help Poland, Roumania and Greece defend their independence are to succeed in blocking further German-Italian moves.

Frenchmen have expressed alarm at what they call the pyramiding of military commitments they and Great Britain have given smaller nations while Russia has not given her support.

Anglo-Roumanian Talks Shaping Balkans' Future

Political-economic Conferences Held in London and Bucharest

May Trade Arms

By PAUL LOUIS BRET
Havas Correspondent
LONDON (CPHavas)—Official circles attribute "extreme importance" to the political and economic talks that Grigore Gafencu, Roumanian Foreign Minister, began in London today.

While he and the Minister of Justice (Rt. Hon. Ernest Lauro) had opposed adjournment of the House to permit the then Prime Minister to attend the Silver Jubilee celebrations of King George V, the circumstances were quite different. The Prime Minister (Rt. Hon. R. B. Bennett) then had been ill for most of the two months. This time, too, their Majesties were coming to Canada. Members generally wished to join their constituents in paying their respects to the King and Queen.

PREMIER'S DUTIES
The manner in which the Prime Minister could best discharge his duties during the visit had been commented on by the press, the Prime Minister continued. It had been said his primary duty was in the House of Commons, which was a very natural comment.

First then, was the question of courtesy to the Crown, important at all times if not perhaps the all-important consideration. He said this would be not merely a visit by members of the Royal Family but actually the holder of the Crown visiting Canada for the first time.

The King would not be accompanied by a minister from Great Britain or any other part of the Empire. There would, therefore, be a feeling on the part of peoples in other parts of the Empire that a special obligation rested on the government of Canada to protect the King in every possible way. It was a constitutional custom continued his journey to Bucharest.

ARRIVE AT BUCHAREST
BUCHAREST (AP)—A body of British financial and industrial leaders, led by Sir Frederick Leith-Ross, arrived in Bucharest today to map out a program for extension of trade between Great Britain and Roumania.

Government sources said another object of the mission was to establish arms and munitions factories to make Roumania independent of the Skoda works of Czechoslovakia, now in German hands.

There were reports that Germany, which last month completed a plan for extensive exploitation of Roumanian oilfields and agricultural lands, was watching the Anglo-Roumanian negotiations closely and planned counter-moves.

FEDERAL BUDGET SPEECH TOMORROW
OTTAWA (CP)—Tomorrow in the Commons Hon. Charles Dunning, Minister of Finance, will bring down his annual budget, and today financial experts said they did not anticipate many far-reaching tariff or tax changes. It is a foregone conclusion the budget will be far from balanced and there is only a small chance any major taxes will be altered.

This week probably will bring a definite declaration from the government regarding the wheat price. Prairie Liberals are pressing Agriculture Minister J. G. Gardiner to set the initial price at 70 cents a bushel for No. 1 northern at Fort William, instead of the 60-cent initial price the minister already has announced.

New Zealand Recruiting
AUCKLAND, N.Z. (CP-Reuters)—Prime Minister Michael Savage announced today 50,000 men might be required for the New Zealand defence forces. In an interview, he said "the first thing we have to do to help Britain is to help ourselves."

BAN AGAINST ALSACE GROUPS
French Government Clamps Down On German Agitators

PARIS (AP)—The French government, in one of two measures reported today for assuring French unity, outlawed three organizations in Alsace-Lorraine for attempting to undermine French nationalism.

Herman Bickler, Prussian-born autonomy leader, was the head of one of the organizations.

The other measure reported to have been decreed by the cabinet established heavy penalties for efforts to "provoke hate and discord among Frenchmen because of race or religion."

Sources close to the government said the effort to smash autonomy organizations in an area along the vital Maginot Line was but the forerunner of widespread measures to assure French unity during the present international tension.

These quarters disclosed the government decreed dissolution of three propaganda units at last Friday's cabinet meeting, but kept the move secret until today. In addition to Bickler's youth organization, those outlawed were the Erwin von Steinbach Club and the Alsatian People's Intellectual and Cultural Union.

BOLIVIA'S CHIEF BECOMES DICTATOR
LA PAZ, Bolivia (AP)—President German Busch assumed dictatorial powers today, dissolving the constituent assembly, which was in recess.

It was reported a cabinet crisis had preceded the President's move, but officials were silent on this point.

In some quarters it was expected a national council, made up of representatives of all parties, would be organized.

Scores were arrested and a strict military control of the region was established.

M.P.'s on Holiday While King Here

Parliament Will Not Sit During Royal Visit; Prime Minister Will Accompany Sovereign

OTTAWA (CP)—Prime Minister King told the House of Commons this afternoon Parliament would not remain in session while the King and Queen are in Canada next month.

At the opening of today's proceedings he made a statement as to the government's views on procedure during the Royal Visit and invited the opinions of other members.

The Prime Minister said three obvious courses were before the government: Parliament could continue during the time His Majesty was in Canada, provided Parliament had not concluded its business, Parliament could adjourn during that period, or, third, it could prorogue if its business were completed.

While he and the Minister of Justice (Rt. Hon. Ernest Lauro) had opposed adjournment of the House to permit the then Prime Minister to attend the Silver Jubilee celebrations of King George V, the circumstances were quite different. The Prime Minister (Rt. Hon. R. B. Bennett) then had been ill for most of the two months. This time, too, their Majesties were coming to Canada. Members generally wished to join their constituents in paying their respects to the King and Queen.

PEOPLE'S EXPECTATIONS
It had been suggested a minister other than the Prime Minister could perform this service, but Mr. King said, "I rather think the people of Canada will expect the Prime Minister; simply because he is Prime Minister, to accompany His Majesty."

The King in present world conditions naturally would want to be informed of the latest dispatches of external affairs. As Secretary of State for External Affairs it would be part of Mr. King's duty to consult with the King on such matters just as he had to consult with the Governor-General under normal conditions.

"It would greatly lessen my own duties if some other arrangement could be made," said Mr. King, "but it would not be meeting my duties and obligations as I see them or as I think they will be viewed by the people of Canada if I did not accompany His Majesty throughout the whole tour."

POSSIBLE TENSION
There was also the possibility, which he hoped would not arise, of another crisis occurring during the King's presence in Canada. He asked what public opinion would be if such a crisis occurred when the King was on the prairies or in British Columbia with no opportunity of conferring with his Prime Minister or his Secretary of State for External Affairs.

Mr. King asked any member who thought his constituents would want the Prime Minister to remain in Ottawa during the Royal tour rise in his place and say so. Personally he was convinced his own constituents in Prince Albert would think his place was with the King.

The second possible course was an adjournment. If parliamentary business were not completed he suggested the House should adjourn from May 12 to June 19. If prorogation were possible by the time of the King's arrival His Majesty would prorogue Parliament. If not he would give Royal assent to such bills as had been passed.

U.S. Tax Closes Doors to B.C. Lumber Exports

\$1.50 Per Thousand Stands Against Canadian Shipments

Removal Sought

By BRUCE HUTCHISON
Vancouver Sun Special
OTTAWA—United States lumber interests seem to be succeeding in their effort to paralyze the effect of the Canadian-American trade treaty so far as British Columbia lumber is concerned.

According to information received by government officials here, there is every prospect that the United States Congress will refuse to remove the present revenue tax of \$1.50 per 1,000 feet on Canadian lumber moving into the United States.

Canada had confidently expected this tax would disappear at the first of June, and that was the intent of the treaty. But in the last few months American lumber interests have waged a powerful campaign in Washington to keep out B.C. lumber by maintenance of the revenue tax.

The latest word here is that they are very likely to win.

SEEKING TAX REMOVAL
If the revenue tax is not removed American lumber does not secure the removal of tariffs against it in the British market. The re-entry of American lumber into the United Kingdom on a large scale is made contingent in the treaty on the removal of the revenue tax.

Canadian lumbermen believe, however, that there is far more to be gained by the removal of the revenue tax and the reopening of the American market than will be lost by the partial reopening of the British market to American lumber. That is why Canada is doing everything possible to persuade the United States to remove the tax on June 1.

Efforts are being made in Congress also to restore the system of marking Canadian lumber to discourage its use by Americans. The expectation here is that this move will not succeed and that the removal of the obnoxious marking system will stand.

American shingle interests are fighting in Congress to reduce the Canadian shingle quota allowed to British Columbia manufacturers under the treaty, but it is not expected here they will succeed.

The jobs of thousands of British Columbians are involved in the outcome of the present manoeuvring in Congress, and the Canadian government is deeply concerned about it.

U.S. Correspondent Expelled By Italy
Richard Mowrer of Chicago Daily News Ordered to Leave

ROME (AP)—Richard Mowrer, Rome correspondent of the Chicago Daily News for less than four months, was ordered today to leave Italy because of government disapproval of his dispatches.

An attaché of the Ministry of Popular Culture told him a week ago he would be required to leave the country within two weeks because the government considered the tone of his dispatches "unfriendly."

The United States embassy made inquiries in Mowrer's behalf and succeeded in obtaining a one-week extension of the expulsion order.

He is the second Chicago Daily News correspondent to be expelled from Italy within six months. His predecessor, Frank Smothers, was given notice to leave last November 20 because the government said it believed his dispatches were "unfriendly."

Mowrer is the 18th foreign correspondent to be expelled from Italy in the last two years.

JUGOSLAVIA STATED SUPPORTING AXIS

Faithful Collaboration Claimed to Be Outcome Of Talks With Italy

ROME (AP)—Italy claimed a new victory today for the Rome-Berlin axis.

Week-end conversations at Venice between Foreign Minister Galeazzo Ciano and the Yugoslav foreign minister, Alexander Cincin-Markovich, ended yesterday with a statement promising "faithful collaboration" of Yugoslavia with Italy and Germany.

The same word—"faithful"—had been applied to Hungary's relations with the axis after talks earlier last week at Rome when the Hungarian premier, Count Paul Teleki, and Foreign Minister Stephen Cskay visited Premier Mussolini and Count Ciano. The first formal demonstration of Yugoslavia's relations with Italy, political sources said, will be a visit by Prince Regent Paul to King Victor Emmanuel next month.

Guarantees against attack were understood to have been offered Yugoslavia to keep her out of the Anglo-French system of military aid guarantees.

BRITISH-RUSSIAN TALKS CONTINUE

LONDON (CP)—Prime Minister Chamberlain in the Commons today refused to discuss Anglo-Russian negotiations now despite Labor appeals for a statement "in order to influence" the speech Hitler will deliver in the Reichstag Friday in answer to President Roosevelt's 10-year non-aggression proposal. "I do not think it is desirable to make premature statements on negotiations which still are in progress," said Mr. Chamberlain.

He assured Clement Attlee, leader of the opposition, that he would make a statement as soon as possible.

He also indicated no decision had been taken on the question of conscription, which arose again in the public eye because of reports of French proposals that Britain adopt it as peace insurance.

Rt. Rev. F. J. Spellman New York Archbishop

VATICAN CITY (AP)—Rt. Rev. Francis J. Spellman, Auxiliary Bishop of Boston, who once drove a grocery wagon and later became a trusted emissary of the late Pope Pius XI, today was named Archbishop of New York.

It was considered almost certain the new archbishop, who will be 50 years old May 4, would be created a cardinal, but whether this might be done at a consistory which the pontiff is expected to call in June or July, or at some later consistory, was a matter of speculation among prelates.

His chances for elevation to the purple soon were believed by some prelates to be increased by the fact the membership of the College of Cardinals now is unusually low.

The full strength of the college is 70. The membership was reduced to 59 by yesterday's death of Domenico Cardinal Mariani at the age of 76.

FRANCO REPORTED DEMOBILIZING

LONDON (CP)—Richard Butler, Undersecretary for Foreign Affairs, told the House of Commons today the reason for recent troop movements in Spain was demobilization of General Franco's forces.

Prime Minister Chamberlain said the British Government was watching Spain closely and expressed hope it would not be necessary to make representations to Rome to get Italian troops out of Spain.

Garner Not Heading Anti-Rooseveltians

Vice-president Declines Leadership of Dissident Democrats

WASHINGTON (AP)—Vice-President Garner was reported by friends today to have declined to assume leadership of anti-Roosevelt Democrats in the United States Senate.

These informants said Mr. Garner, maintaining friendly relations with the White House since the session started, has decided to keep a hands-off attitude in any arguments between the President and his critics in Congress.

Early in the session, there were indications Mr. Garner might act as a behind-the-scenes strategist against various U.S. administration spending proposals. Since then, however, he has been discussed widely as a possible presidential candidate in 1940. Senate sources said this has placed him in a position where it would appear he was striving for personal advantage if he actively opposed presidential policies.

Bishop Fisher to Take London See

LONDON (CP)—The King today approved appointment of Rt. Rev. Geoffrey F. Fisher, Bishop of Chester, to succeed Rt. Rev. Arthur F. Winnington Ingram as Bishop of London.

Dr. Ingram, at 81, is retiring after holding the post for 38 years. No Bishop of London has had so long a tenure of office for at least three centuries.

Dr. Fisher, the new bishop, is 51. Before becoming Bishop of Chester in 1932, he was headmaster of Repton School for 18 years.

League Would Move

GENEVA (AP)—Officials indicated today plans for removal of the League of Nations and the International Labor Office from Geneva in the event of war virtually were complete. It was understood both would take refuge in France, and Vichy was suggested as the most likely place for the League of Nations and International Labor Office.

Murder Charge Expected

VANCOUVER (CP)—Police today said they were holding three men and two women for investigation in the slaying of Wood Duck, wealthy Chinese restaurant owner found dead in his room here April 11, and that they expected a "break" at any time.

They said a charge of murder might be laid "within a few hours."

Great Barter Negotiated By Britain and U.S.

100,000,000 Bushels of Wheat and 10,000,000 Cotton Bales Reported

For Rubber and Tin

LONDON (AP)—The United States ambassador here, Joseph P. Kennedy, was reported authoritatively today to be arranging barter of about 10,000,000 bales of United States cotton and more than 100,000,000 bushels of United States wheat to Great Britain for a supply of rubber and tin.

The deal, it was reported, would be made under the barter exchange proposal advanced two weeks ago by Senator James Byrnes of the United States.

The British Board of Trade refused to discuss details, but admitted there were negotiations in progress in connection with the Byrnes proposal, which has received the endorsement of President Roosevelt. There was no indication when the transaction would be completed.

The Byrnes proposal made in Washington, April 14, would have the double effect of building up the war strength of Britain, The Netherlands and Belgium and at the same time get rid of some of the troublesome farm surpluses of the United States.

The plan was for the United States to trade cotton and wheat to these three countries, and possibly others, in exchange for rubber and tin. The materials would be stored and the countries receiving them would be pledged not to dispose of them within five years unless the prices went above specified figures.

PRESS COUNCIL IN BRITAIN SUGGESTED

Sir P. Hurd Advocates Newspapers Regulate Selves to Prevent Alarm

LONDON (CP)—Sir Percy Hurd, Conservative, will ask Sir Samuel Hoare, Home Secretary, in the House of Commons Thursday to invite recognized organizations of the press to establish their own representative council of conduct to "uphold fully the traditional dignity and responsibility of British journalism."

The question declares this action which, if necessary, would be backed by statutory powers, would avoid the necessity for any form of state interference with the freedom of the press and would follow the example of other professions.

Last Thursday in the House, Sir George Broadbridge, Conservative, gave notice he would ask the Home Secretary to appoint a "press controller" to prevent newspapers from taking advantage of the freedom of the press to "scare the public mind in these critical times by indiscreet headlines and articles."

Halifax Tells U.S. Britain Stronger

LONDON (CP)—In a cordial greeting to the United States, Foreign Secretary Viscount Halifax said tonight in a broadcast that Great Britain, with "united resolution to preserve our ancient liberties and institutions and everything that goes to make up our way of life," was "pursuing the great task of making Britain strong."

His broadcast was made in connection with the New York World's Fair, which will open next Sunday.

VANCOUVER (CP)—Ruby Clark, five, was in a hospital today recovering from painful burns suffered when her clothing caught fire in her parent's home Saturday. She stood too close to a candle.

Fall Caused Death

NANAIMO (CP)—Mrs. Annie Morgan, 83, resident of Nanaimo for 74 years, died in hospital Saturday following a fall down the stairs of her home.

Born in Yorkshire, England, Mrs. Morgan came to Vancouver as a girl and settled with her family at Victoria in 1862. The family moved to Nanaimo five years later.

She was the widow of the late Thomas Morgan, one of B.C.'s best-known coal mining officials and one-time provincial inspector of mines. He died 18 years ago.

Surviving are two sons, Mark H. Morgan of Vancouver, Frank C. Morgan of Parksville, and one daughter, Mrs. James Haggart of Victoria.

Funeral services were held Sunday, interment being made in the family plot in Nanaimo Cemetery.

BRITISH BUDGET \$5,980,000,000

Speech Tomorrow; Increase in Luxury Taxes Expected

LONDON (AP)—Sir John Simon, Chancellor of the Exchequer, today reviewed with the cabinet the closely-guarded secrets of Britain's largest peace-time budget, which will be disclosed in the House of Commons tomorrow.

Because of enormous rearmament expenses, the total budget for the 1939-40 financial year is expected to be about £1,278,000,000 (\$5,980,000,000) against £944,398,000 for the past year.

Sir John is expected to announce increases in "luxury taxes" and may even boost the already severe income tax to get increased revenue. The income tax is now five shillings and sixpence in the pound, or 27½ per cent.

Taxes on tobacco, tea, sugar and gasoline and a levy on cosmetics have been suggested as possible fields for new revenue. The cost of the army, navy and air force plus the cost of civil defence is estimated by the government at a total of approximately £580,000,000. Of this £350,000,000 will be met by borrowing.

Supplementary estimates have to be introduced because of the recent decision to double the territorial army and create a ministry of supply.

Norway's Defences Declared Ready

Egypt Also Tells Hitler She Would Fight If Attacked

OSLO, Norway (AP)—Foreign Minister Halvdan Koht replied orally today to the Hitler questionnaire that Norway does not feel menaced by Germany, but that "we naturally know that Norway would be in danger in event of a general war and, therefore, have made efficient defence measures on behalf of our neutrality."

EGYPT'S REPLY

CAIRO (AP)—The Egyptian Foreign Ministry told the German charge d'affaires here today that Egypt had no knowledge of President Roosevelt's peace appeal before it was sent to Chancellor Hitler, but had taken all steps to defend her independence.

The interview followed earlier denials by both the Foreign Ministry and the German legation that Hitler had asked Egypt whether she feared aggression from Germany.

Hitler Seen as Bully

LONDON (CP)—The British press is not impressed by Hitler's questionnaire in which he asked a number of smaller nations whether they feared Germany. The London News Chronicle, Liberal, likens Hitler's technique to a little schoolboy menaced by a big bully with a raised fist. The little boy gives the answer he thinks the bully wants.

Vancouver C.C.F. Candidate

VANCOUVER (CP)—Alfred Hurry, former alderman and school trustee, has been nominated as C.C.F. candidate in the civic election May 10 to fill the city council seat vacated by the death of Alderman Fred Crane.

Other candidates are ex-Mayor George C. Miller, Alex Fordyce, Louis Rubinowitz and Peter McAllister.

Russian Officer Jailed

MOSCOW (AP)—A military court today sentenced Lieut. Isayeff of the White Russian military district to six years' imprisonment for conduct unworthy of a red army officer. The army paper, Red Star said testimony showed he had married eight wives in one year and mistreated them all.

KING AND PREMIER AT NEW YORK FAIR

George VI to See Show Once and Prime Minister King Twice

NEW YORK (CP)—Central theme of the New York World's Fair, "Building for the world of Tomorrow," will be carried out in the Canadian pavilion by a panoramic presentation of the development of the industry and trade of the Dominion and the opportunity for expansion in the future.

Major J. G. Parmelee, deputy Minister of the Department of Trade and Commerce, gave the press a verbal preview of the interior of the modernized white stucco building that will house Canada's exhibit.

Mr. Parmelee, here for final organization work on Canada's participation in the fair, scheduled to open next week-end, also announced that Prime Minister King will pay two official visits to the exposition.

When King George and Queen Elizabeth inspect the fair grounds June 10, the Prime Minister will accompany His Majesty as minister-in-attendance. On July 1—Dominion Day in Canada and "Canada Day" at the fair—Mr. King will be guest-of-honor at the exposition.

The Royal Canadian Mounted Police will play a prominent part in the observance of "Canada Day," close by the pavilion.

What Canada has to offer will be portrayed in painted friezes, murals, panels, dioramas, sculptured groups, moving pictures, photo montages and photo transparencies.

In addition to the pavilion, the Dominion will be represented in an adjoining building by a display of representative Canadian works of art.

DISPUTE MAY HAVE CAUSED OUTBREAKS

Reported Two Factions Among Doukhobors Over Leadership

A theory that a new series of outbreaks in the Doukhobor area of the Kootenays may be the outcome of a dispute between two factions over the choice of a spiritual leader of the Doukhobor colony was examined today while provincial police conducted their investigation of the burnings and bombings over the week-end.

Police headquarters here said the inquiry into the outbreak was being left in the hands of Inspector John MacDonald at Nelson.

If there is another flare-up, however, it is possible extra guards will be sent into the district.

The suggestion of a factional fight being responsible arose out of reports that there are two possible claimants to the position of spiritual leader formerly held by Peter Veregin Jr., who died on February 11.

One of these is his son, Peter Veregin, aged about 35, who, reports say, is in exile in Siberia. A faction within the Doukhobor community was reported making arrangements to bring him out to British Columbia.

Another group, it is stated, supports the choice of Johnny Voiken, also known as Veregin, as the new leader. Johnny is a 16-year-old grandson of Peter Veregin Jr., the son of one of his daughters. He lives with the family at Grand Forks.

The explanation that this may have been the cause was advanced here today for lack of any other apparent reason for the outbreaks. The last series of outbreaks occurred in 1936, when Doukhobors refused to register vital statistics, but this difficulty was overcome when rigid government orders were enforced.

Hindu Group Leader Appeals to Roosevelt

BOMBAY (AP)—V. D. Savarkar, president of the "All-India National Organization to Safeguard Hindu Rights," today cabled President Roosevelt an appeal against Great Britain.

"If your note to Hitler was actuated by disinterested human anxiety for safeguarding freedom of democracy from military aggression," Savarkar asked the United States President, "why not also ask Britain to withdraw armed domination over India, allowing a free self-determined constitution?"

"The great Indian nation," he added, "can claim as much international justice as small nations."

New Australian Cabinet Named

Premier Menzies Makes Sir Henry Gullett External Affairs Head

CANBERRA (CP)—The new Prime Minister of Australia, Robert Gordon Menzies, announced Monday the personnel of the cabinet he has formed in succession to the Ministry of Joseph Lyons, who died April 7.

The new cabinet includes: Prime Minister and Treasurer, Mr. Menzies; Attorney-General and Minister of Industry, W. M. Hughes; Defence, Geoffrey Street; External Affairs, Sir Henry Gullett; Civil Aviation and Assistant Defence Minister, Valentine Fairbairn.

Mr. Menzies created a new Department of Supply and Development and appointed Richard Casey, former treasurer, to fill it. The Prime Minister said the department was required by the necessity "for industry to make adequate plans to preserve Australian economy in the face of a blockade—or interruption of trade."

The new ministry replaces the temporary government headed by Sir Earle Page, which ruled between Mr. Lyons' death and the election of Mr. Menzies as his successor as leader of the United Australia Party.

Sir Earle, leader of the Country Party, which formed a coalition with the U.A.P., had quarrelled with Mr. Menzies and he was not included in the new ministry.

It was a comeback for Sir Henry Gullett, who resigned as minister directing trade treaties in 1937 when the cabinet refused to back him up in his uncompromising attitude in trade negotiations with Canada.

DENTIST SUCCUMBS TO HEART ATTACK

PORT ALBERNI—Dr. Carlyle E. Cook, 44-year-old city dentist, suffered a heart attack and died instantly Sunday afternoon while on a hike to the H. Vilah Gold Mine, southeast of Port Alberni. Dr. Cook was born in Nanaimo and had been practicing dentistry here for the 16 years. He was a member of the school board. He is survived by his wife and three young children, Shirley and Phyllis and Douglas; also by a sister, Mrs. J. W. Simpson, Vancouver; and two brothers, Melville of Nanaimo, and Gordon of Great Central. No inquest will be held. The funeral will take place Wednesday afternoon.

200 IN SEARCH FOR ALBERTA BABY

VETERAN, Alta. (CP)—Royal Canadian Mounted Police and more than 200 persons today searched for Lorraine Rennie, two-and-a-half-year-old girl who disappeared 10 minutes after she had been put into her farm home bed last night. Veteran is 120 miles northeast of Calgary.

Farmers and residents of Coronation, Veteran, Monitor and Consort, searched an area covered with sloughs and brush eight miles southeast of Veteran and in the neighborhood of the Rennie farm.

Mrs. Rennie said she put the child to bed and after attending the cows, returned about 10 minutes later to find Lorraine gone.

Though stating the family had no enemies and had received no threatening letters, Mrs. Rennie expressed the opinion her daughter had been kidnapped.

Communist Party Supports Herridge

REGINA (CP) — The Communist Party of Canada has pledged its full support to the Herridge "New Democracy" movement for the election of progressive candidates in the forthcoming federal election, Tim Buck, leader of the party, announced at an open-air meeting attended by more than 2,000 persons here yesterday.

The Communist Party, in offering this support, did not surrender any part of its program, but would continue its task of organizing the working classes, Buck declared.

Buck spoke of the tremendous struggle over the guaranteed minimum price of wheat — a struggle which, he said, was of concern to every part of Canadian economy, for the whole political and economic structure of Canada was built around wheat.

"The question we have to answer is, 'Have we reached the stage where we can afford to stop growing wheat?'" the speaker said. "If western Canada is to remain a wheat producing country, then western Canada must be guaranteed a high enough price for its main product to make it worth while to produce it."

Urge Embargo On Aggressors

Delegates From U.S. And B.C. Pass Several Resolutions at Vancouver

VANCOUVER (CP) — The Pacific Northwest Embargo conference was on record today as asking the United States and Canada to use all their means to impose an embargo against the shipment of war materials directly or indirectly to aggressor nations.

The resolution, passed by the 130 delegates from the northwestern United States and British Columbia late yesterday at the conclusion of a two-day gathering was telegraphed to Prime Minister King and President Roosevelt.

The meeting decided to form a permanent embargo committee in the northwest.

Chief speakers were: Howard Costigan, executive secretary of the Washington State Commonwealth Federation, and Miss Loh Tsei, known as the "Joan of Arc" of China for her activities in resisting the Japanese.

Mr. Costigan told the gathering the American nations would not have to go to war unless they kept on arming Japan.

"Half of us are making battle-ships and guns for Japan and the other half are making band-aids to send to China," he said. The speaker blamed British and United States diplomacy of the past 10 years for "betraying" China.

"If Japan beats China, Japan will become a major power with a Fascist clique in control," he said. "The fate of America hangs on the fate of China and the democracies can only be saved by smashing the Fascist front."

DATES FROM 1931

Miss Tsei claimed the failure of the democracies to stop Japan when she marched into Manchuria in 1931 was the basis of the present international situation.

Speaking on hostilities in the Orient, Miss Tsei said: "It is the struggle of 450,000,000 people—one quarter of mankind—for peace."

Declaring that she had been greatly impressed with Vancouver's beauty, Miss Tsei said she trembled to think the city might some day be wrecked by bombs unless something was done to stop Japan.

The speaker said that in 1937 Canada had purchased \$90,000,000 worth of raw silk from Japan.

"One pair of stockings buys four rounds of machine-gun bullets for Japanese soldiers," she added.

A. M. Stephens of the Canadian League for Peace and Democracy presided at the meeting, which was addressed also by Foo Sein, secretary of the Chinese National Salvation League, and Joseph Howe of Victoria, representing the same organization.

SCRAP IRON

In addition to the general resolution endorsing a boycott and embargo, the conference passed one specifically condemning the sale by the Canadian National Railways at Port Mann of

scrap iron from discarded cars to the highest bidder. Another urges the Dominion Government extend credits to China for the purchase of Canadian wheat and other food supplies. The federal government also is to be petitioned to impose a prohibitive tariff on goods from aggressor nations, "namely, Germany, Italy and Japan."

A resolution, approved unanimously, suggests peace-loving nations participate in a world conference for the promotion of collective security.

The conference endorsed President Roosevelt's appeal to Hitler and Mussolini for a 10-year peace and decided to forward to Ottawa and Washington resolutions urging the nationalization of all munitions industries.

W. E. Priestley of Seattle, Irvin Goodman of Portland and A. M. Stephen of Vancouver were named for the permanent embargo committee.

Royal Visit to Show Leadership

Prime Minister King Tells Liberals Canada Strengthens Democracy

OTTAWA (CP) — The visit of the King and Queen will give a true conception of what leadership means in Canada and bring about a greater appreciation of parliamentary institutions and democratic government, Prime Minister King declared at the banquet which ended the annual convention of the 20th Century Liberal Association here Saturday night.

The Prime Minister said leadership and the visit of Their Majesties were the two things the public was discussing today. "These two great movements are not so distant related as one may imagine and the visit of the King and Queen will indicate the kind of leadership most needed in Canada now. I hope that out of the Royal Visit we shall have a conception of nationhood which we have never realized before."

Rt. Hon. Ernest Lapointe, Minister of Justice, spoke of political propaganda in Canada spreading principles or doctrines "foreign to our love of freedom and our manner of conducting government." All Canadians should fight this philosophy of despair which has come to the Dominion, he said.

He felt Canada was proof against the hate poisoning other parts of the world and warned care must be exercised to guard against those who were spreading subversive doctrines.

Parliament was the only thing lying between those who relied on force and democratic government, he continued, characterizing as troublemakers and enemies of democratic institutions "those alarmists who spread whispers of death that thousands of men are dying in Canada and those who revile Parliament when they launch new parties."

DICTATORS FAIL

In a reference to the international situation, the minister said "Napoleon had more genius in his little finger than all the little Caesars of the present time. Napoleon failed and they also shall fail, even though they use other methods, such as concentration camps and castor oil, or invade weak nations on Good Friday."

If faith exists in the hearts of our people to inspire confidence between our government and our citizens there is no fear these subversive doctrines will ever prevail."

Hon. J. G. Gardiner, Minister of Agriculture, said that in recent speeches in the Commons on foreign policy the Prime Minister and Mr. Lapointe had done more to unify Canada than any other single thing in the history of the country. Canada should be proud of its leaders today.

Peace means more to young people than to those who were calling on the government for a declaration of intentions, he said.

NOT FOR CONSCRIPTION
The 5,500 delegates to the convention reached a compromise decision late Saturday on the most contentious question which came before them, a resolution concerning Canadian participation in war.

On vigorous protest from Quebec delegates the convention deleted a recommendation for conscription of manpower and substituted a suggestion that wealth and industry of the country be conscripted in the event of war.

The resolution urges provision of adequate defences of Canada and approves fighting for democracy only when "the national interests of Canada demand it."

FINE DECORATION SCHEME FOR CITY

Decorations for the City Hall, the city library and lamp standards were approved by Alderman T. W. Hawkins, chairman of the decorations committee for the Royal Visit on Saturday, following submission of sketches to indicate the manner in which the adornment would be carried out.

Around the upper structure of the City Hall, perpendicular pennants will be strung. Further down, following submission of sketches to indicate the manner in which the adornment would be carried out.

At the library a similar plan will be followed, with minor changes being made to conform to the general outline of the building.

Streets will be adorned with the cluster light pennants in patriotic colors—drooping from figured shields. A total of 700 pennants have been secured for the standards.

In all 5,700 yards of pennants, bunting, streamers, jacks, ensigns and tasseled and corded flags will be used on the city buildings and streets for the event.

Bequests to Employees

MONTREAL (CP) — All employees of the Montreal Daily Star who were working for the paper at the time of the death of its owner, Lord Atholstan, today shared a legacy bequeathed to them according to their years of service.

Executors of Lord Atholstan's will said cheques were mailed at the week-end giving each employee \$2 per year of service.

They said the late proprietor left a definite sum of money for the employees and that when this was apportioned it was found to come to \$2 a year. Lord Atholstan died in January 1938.

Farm Tangle Ended

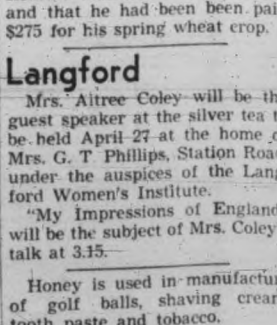

GRIMSBY TOWN (CP) — Difficulties of Samuel Pridde and his family who were forced to leave a government-owned farm, because it had been sold to a refugee from Czechoslovakia, were ended today. It was announced Pridde, his wife and children, all of whom came to the farm, near here, from Weyburn, Sask., had obtained a farm near Niagara Falls. It was said Pridde had adjusted certain difficulties with the farm loan board and that he had been paid \$275 for his spring wheat crop.

LINER SUGGESTED TO CARRY KING

London Sunday Express Urges H.M.S. Repulse Be Kept in Britain

LONDON (CP) — The Sunday Express, Independent, in a front page editorial urged the battle-cruiser Repulse be withheld from taking the King and Queen to Canada, and that the Dominions Office start naval recruiting in Newfoundland.

The newspaper, which normally is isolationist, in an 11-point list of advice to the government advocated:

"Every man from the age of 18 to 21 should be conscripted for military training."

"They should go into the regular army for four months and at the end of that period they should be transferred to the Territorial Army for a further four years' service."

"The navy has three vitally important battlecruisers—the Hood, the Renown and the Repulse. The Renown is undergoing large-scale reconstruction. The Hood is being given an extensive general overhaul. The Repulse is scheduled to carry the King to Canada next month."

"In the national interest, the King should be provided with an Atlantic passenger liner at government expense."

"Sir Thomas Inskip, Dominions Secretary, should recruit men from Newfoundland forthwith for the navy."

"In Newfoundland we have a great reservoir of the finest type of seamen in the world."

Atlantic Air Mail

FOREST, Ont. (CP) — Hon. Norman McLarty, Postmaster-General, told Forest citizens gathered for the opening of a new post-office Saturday he was working to decide a fair postage charge for the airmail service to be inaugurated between Great Britain and Canada during the coming summer.

He said experimental flights would be made in June and would be followed by regular service.

Although the lunar month is getting longer, our day, too, is getting longer, due to the slowing down of the earth's spinning motion. At some far distant time, the length of the day will be equal to the length of the month.

No Control Change For British Radio

LONDON (CP) — Spokesmen for the British Broadcasting Corporation said today they gave not the slightest credence to published rumors the government is preparing to extend considerably Foreign Office control over the radio network.

The London Daily Mail, Independent, had published a report the government would assume direct control June 7.

Statutes under which BBC operates, spokesmen said, forbid the government to take over the organization unless "in the opinion of the Postmaster-General extraordinary circumstances prevail"—in other words, war.

Robbery in Vancouver

VANCOUVER (CP) — Two holdup men boarded Motorman R. W. Elliott's street car in a lonely section of the east end here early yesterday and robbed him of \$15. One of the thugs was masked and believed to be carrying a gun.

The pair stood behind Elliott's back and rifled his pockets without waiting for the car to stop. They fled on foot.

Cardinal Mariani Dies

VATICAN CITY (AP) — Domenico Cardinal Mariani, former treasurer of the papal ministries, died yesterday after a heart attack. He was 76.

His death created a House of Commons vacancy in the Caerphilly, Wales, constituency which he had represented since 1921.

Mr. Jones was Parliamentary Secretary of the Board of Education during both the Ramsay MacDonald-Labor governments and was a former school teacher. Following his wartime imprisonment he found teaching closed to him and worked for a time underground as a colliery laborer.

Morgan Jones, M.P., Dies in London

LONDON (CP) — Morgan Jones, 53, Labor member of Parliament who was one of a group imprisoned during the Great War as conscientious objectors, died yesterday.

He had been ill since March, when he returned from the West Indies with other members of a royal commission which had been investigating conditions in the islands.

His death created a House of Commons vacancy in the Caerphilly, Wales, constituency which he had represented since 1921.

Mr. Jones was Parliamentary Secretary of the Board of Education during both the Ramsay MacDonald-Labor governments and was a former school teacher. Following his wartime imprisonment he found teaching closed to him and worked for a time underground as a colliery laborer.

SUMMER PROOF YOUR MOTOR

Drain and Re-fill with Mobiloil

● In the long, hot grind of summer driving your motor needs the best oil made. It needs that extreme oiliness of Mobiloil. Seventy years of constant research in the Mobiloil laboratories have disclosed ways of removing those elements which don't give the very finest lubrication.

The Clearsol Process takes out those elements which ordinarily form sticky sludge. Modern dewaxing removes the last trace of carbon-forming wax. Then the oil is filtered again and again to get rid of unwanted material.

It's not how much oil that can be obtained from the crude that counts—but how good an oil. Mobiloil is practically 100% lubrication. It lasts longer, keeps motors cleaner, livelier, smoother running. For real protection, change to Summer Mobiloil now.

and Restigouche, will form the naval escort across the Gulf. The King and Queen will dine informally aboard the ship and will arrive at Victoria at 9 p.m. The Lieutenant-Governor of British Columbia and Mrs. Hamber, the Premier and Mrs. Pattullo and the Mayor of Victoria and Mrs. McGavin will board the ship at Victoria and will be presented to Their Majesties by the Prime Minister. At 9.15 p.m. the King and Queen will leave the ship and as they come down the gang-plank a 21-gun salute will be fired.

A guard of honor posted at the C.P.R. dock will receive the King with a Royal salute, and he will inspect the guard. Their Majesties, the Lieutenant-Governor and Mrs. Hamber and members of Their Majesties' staff and household, who will stay at Government House, will drive to Government House and the other members of the party will drive to the Empress Hotel.

ROYAL SALUTE

The arrival at Vancouver will be signaled by a 21-gun salute as Their Majesties get off the train. At the station platform, the Prime Minister will present Mayor J. Lyle Telford of Vancouver and Mrs. Telford. A guard of honor will be posted at the station and will receive His Majesty with a Royal salute.

Then the King and Queen, the Prime Minister, Hon. Ian MacKenzie, Minister of Defence, and Mrs. Telford and the ladies and gentlemen in waiting will drive to the City Hall.

At the City Hall, the Sovereigns will be met by the Mayor and Mrs. Telford and will be conducted to the council chamber where the mayor will present the members of the city council, local officials and their wives and seven British Columbia V.C.'s.

An address from the city of Vancouver will be presented by the Mayor and Her Majesty will receive a bouquet. At 11.15 the Royal party will leave the City Hall and at 1 p.m. will arrive at the Hotel Vancouver to attend a luncheon.

Following the luncheon and a brief rest period, the Royal party will be taken for a further drive through the city and environs, arriving at the C.P.R. dock at 4.45 p.m. where a guard of honor will be inspected by His Majesty.

DESTROYER ESCORT

After saying farewell to the Mayor and Mrs. Telford, Their Majesties will board the Canadian Pacific Steamship Princess Marguerite and will sail to Victoria. As the ship passes through the Lion's Gate it will be greeted by a formation of 20 Indian war canoes. Four Canadian destroyers, the Ottawa, Fraser, St. Laurent

and Restigouche, will form the naval escort across the Gulf. The King and Queen will dine informally aboard the ship and will arrive at Victoria at 9 p.m. The Lieutenant-Governor of British Columbia and Mrs. Hamber, the Premier and Mrs. Pattullo and the Mayor of Victoria and Mrs. McGavin will board the ship at Victoria and will be presented to Their Majesties by the Prime Minister. At 9.15 p.m. the King and Queen will leave the ship and as they come down the gang-plank a 21-gun salute will be fired.

A guard of honor posted at the C.P.R. dock will receive the King with a Royal salute, and he will inspect the guard. Their Majesties, the Lieutenant-Governor and Mrs. Hamber and members of Their Majesties' staff and household, who will stay at Government House, will drive to Government House and the other members of the party will drive to the Empress Hotel.

CEREMONIES HERE

On May 30, their Majesties will leave Government House at 10 a.m. and go to the City Hall, where they will be met by the Mayor of Victoria and Mrs. McGavin at 10.15 and conducted to the council chambers. The Mayor will present an address and then the City Council, local officials and their wives will meet the Sovereigns.

On leaving the City Hall, the Royal Party will drive to the Legislative Buildings, and on arrival there at 10.42 a.m., will be met by the Premier and Mrs. Pattullo and taken to the chamber of the Legislative Assembly, where members of the Legislative Assembly, a number of officials and their wives will be presented.

Leaving the legislative chamber, Their Majesties will be conducted to a platform erected at the main entrance of the Legislative Building, where Premier Pattullo will read an address of welcome and Her Majesty will receive a bouquet.

At 11.20 a.m. Their Majesties and those accompanying them in the procession, will leave the Legislative Building and drive to Beacon Hill Park, where the King will present colors to the Royal Canadian Naval Station. The Royal procession will leave the park at noon and proceed to the Empress Hotel, where the provincial government will give a luncheon, at which the King will make a short broadcast speech over a national network.

Following the luncheon, the Royal party will make a short drive through part of Victoria

and return to Government House. In accordance with Their Majesties' desires, no further official or ceremonial engagement will be made for them at Victoria, since it is desired they should have the remainder of the day for rest and recreation.

On May 31 at 9.40 a.m., the King and Queen will leave Government House for Ogden Point Dock, where they will arrive at 9.50 a.m. and His Majesty will inspect a guard of honor. Then the Sovereigns will say farewell to Lieutenant-Governor and Mrs. Hamber, Premier and Mrs. Pattullo and Mayor and Mrs. McGavin before boarding the Canadian National steamship Prince Robert at 10 a.m., when a 21-gun salute will be fired. Lunching on the ship, the Royal visitors will arrive at the Canadian National dock at Vancouver at 2.15.

AT NEW WESTMINSTER

Then Their Majesties, the Prime Minister, Mr. Mackenzie, and ladies and gentlemen in waiting will be conducted to motor cars and proceed through Vancouver to New Westminster. When the Royal procession arrives at New Westminster the Prime Minister will present to Their Majesties the Mayor of New Westminster, Fred Hume, and his daughter, Miss Hume.

The Mayor will hand an address from the citizens to the King and a bouquet will be given the Queen. The Mayor will present the members of the city council and certain other officials and their wives. At 3.40 p.m. the Royal train will leave for Chilliwack, arriving there at 5.20 p.m., for a 10-minute stop.

The Prime Minister will present the Mayor of Chilliwack and Mrs. Barber, and the Mayor in turn will present the Municipal Council, officials and their wives before the Royal train leaves at 5.30 p.m. for Jasper, where it arrives at 11 a.m. on Thursday, June 1.

When Their Majesties leave the train, the Prime Minister will present the superintendent of Jasper National Park and Mrs. Wood and the Royal Party will drive to Jasper Park Lodge. The visit to Jasper is for rest and recreation, and no formal ceremony will be arranged. On June 2, at 8.30 a.m. the Royal train will leave Jasper and arrive at Edmonton at 3.30 p.m. M.S.T.

Legion Urges Aliens Register

B.C. Command Wants Canadian Naval Strength Doubled

Vancouver Island delegates who returned yesterday from a meeting in Vancouver of the full provincial executive, Canadian Legion, said three important resolutions dealing with the defence of Canada were passed.

They urged the Dominion Government:

1. To carry out an immediate registration of all the manpower available in the Dominion.
2. To carry out a separate registration of all aliens in Canada.
3. To start an immediate recruitment to double the size of personnel in the Royal Canadian Navy.

W. G. Stone, Alex. Mackie, J. Whitcomb and C. Colburn, Nanaimo, attended the meeting which was presided over by W. McKinstry, provincial president.

Mr. Stone said that considerable discussion centred around the proposed registration of aliens.

It was stated there a certain number of aliens in Canada who by paying a sum of money each year to their countries, through their consuls, can exempt themselves from military service. If anything happened they could claim exemption from Canadian service by reason of being aliens, and thus might be used by their countries in undercover work.

"We feel that when a man has been in Canada for five years he should either become a Canadian or else be ready to return to his own country," said Mr. Stone.

First figures on the registration of ex-service men available for counter espionage, anti-sabotage or other work, were announced, showing a total of 16,404. Of these 1,028 were in British Columbia. The Ontario figure was slightly over 9,000 and Quebec under 400.

MOOSE OFFICERS

At a largely attended meeting of Victoria Moose Lodge No. 1390, the following officers were installed:

Dictator, Dennis Hoare; vice-dictator, A. B. Norris; prelate, R. Storey; past dictator, Frank Humphrey; secretary, P. W. Wilson; treasurer, Len Cox; sergeant-at-arms, R. Broesehaugh; inner guard, E. J. Osselson; outer guard, E. J. Monk; lodge physician, Dr. E. L. McNiven.

The installation ceremony was ably carried out by the grand installing officer, E. Hunt, assisted

MRS.
ALAN
ROBERTSON
and CHILDREN

Charming newcomers to Victoria are Mrs. Alan Robertson and her children, seven-year-old Antoinette, and John, aged two, who arrived from Vancouver last week, with Mr. Robertson, to make their home here. They have been the guests of Mr. Robertson's parents, Mr. Justice and Mrs. Harold Robertson, Foul Bay Road, pending taking up residence at 1377 St. David Street.

SOCIAL AND PERSONAL

Has Honor the Lieutenant-Governor and Mrs. Hamber are spending the week-end in Vancouver, where tonight they will attend the opening session of the Provincial Chapter, I.O.D.E. They will return to Government House tomorrow morning.

Mrs. H. B. Jackson, Empress Hotel, has returned from Calgary where she has been spending a couple of weeks on business.

Mrs. G. D. Irwin of Telegraph Bay, who has been visiting her sister, Mrs. R. J. Cromie, in Vancouver, will return home tomorrow.

Mrs. R. I. Neill and her little son, David, who are visiting Mr. and Mrs. Newland Phillips, Cook Street, will leave on Wednesday for their home in Pittsburg, Cal.

Miss Dora Wilkie, R.N., who has been visiting for a couple of weeks with her parents, Mr. and Mrs. O. B. N. Wilkie, Quebec Street, left yesterday by plane on her return to New York.

The many Victoria friends of Harry Charlesworth, general secretary, B.C. Teachers' Federation, who was admitted to St. Paul's Hospital with a heart ailment during the teachers' convention last week, will be glad to learn he is reported to be making satisfactory progress, and will likely be moved to his home in about a week.

Mrs. Arthur Armstrong was hostess recently to the members of the Chiseler's Bridge Club at her home on Nicolson Street. Dainty refreshments were served and prizes won by Miss Ruth Bennett and Miss Emma Mutch.

Members present were: Misses Betty Lansdell, Peggy Merritt, Emma Mutch, Lil Bennett and Ruth Bennett; Mrs. Florrie Auchterlonie, Mrs. Arthur Armstrong and Mrs. Robert Stewart. The next meeting will be held at the home of Miss Emma Mutch, Foster Street.

Little Enes Mitchell, daughter of Mrs. J. D. Mitchell, 655 Admirals Road, and the late Mr. Mitchell, who was elected by her school-mates in the Esquimalt Public School to be crowned Queen of the May at a pretty ceremony on Monday afternoon next in Esquimalt Memorial Park.

Mr. and Mrs. George Walkem of Vancouver after spending a few days as the guest of Miss A. J. Fawcett, Menzies Street, returned home on Saturday afternoon.

The Misses May Peden, Olive Cosgrove and Win Forde were joint-hostesses at a surprise shower held recently at the home of Mrs. T. Peden, 2347 McBride Avenue, in honor of Miss Margaret Kerr, whose wedding will take place this week. On her arrival the bride-elect received a lovely corsage bouquet of Tailsman roses and violets. The many useful gifts were presented in a toy automobile, surmounted with a miniature bride and groom. During the evening Miss Myrtle Hamilton Burns, a past president of the Alumnae, presided at the tea table, for which pink antirrhinums in a silver bowl formed an attractive centerpiece. Those present were: Mrs. F. W. Gill, Mrs. M. Gillespie, Mrs. H. A. Goward, Mrs. George Hartnell, Mrs. B. R. Clever, Mrs. J. H. Moore, Mrs. K. Lavall, Mrs. J. L. Tait, Mrs. Alex Stewart, Mrs. T. B. Yool; Misses Helen Redgrave, Rose McKenna, Flora Hamilton Burns, Margaret McKay, Doris Allen, Margaret O'Neill, Kathleen Nesbitt, Veronica Neary, Rhoda Goward, Viva Babinington and Louise Michaux.

Honoring Mrs. Laura Goodman Salverson, the members of the Victoria and Islands Branch of the Canadian Authors' Association met at luncheon on Friday at the private dining room of the Spencer, presided over by the president. The tables were beautifully decorated with spring flowers, and Mrs. Salverson was presented with a corsage of roses and violets, and a hand-painted autographed place-card, the work of Miss Audrey St. Denis Wood, a souvenir of the occasion. Speakers included, beside the guest of honor, Mrs. Berton, Mrs. Doris Ferne, Mrs. Myrtle E. Lane, and Miss M. Eugenie Perry, representing the various activities of the local writers' group. Others invited to speak included Mrs. Irene Baird, Mrs. Gwen Cash, Mr. Richard Horsfield, and Mrs. Nellie McClung.

Mr. and Mrs. James Fairall, 505 Springfield Avenue, announce the engagement of their daughter, Gwendolyn Mabel to David James Robertson, youngest son of Mrs. P. Bell, the wedding to take place in the near future.

Miss Helen Redgrave, a May bride-elect, was the guest of honor at a delightful tea held by St. Anne's Alumnae at the Empress Hotel on Saturday afternoon. During the tea, the president, Miss Rose McKenna, on behalf of the members, presented Miss Redgrave with a silver muffin dish, suitably engraved and a lovely corsage bouquet of roses, sweet peas and forget-me-nots. Mrs. T. B. Monk and Miss Flora Hamilton Burns, a past president of the Alumnae, presided at the tea table, for which pink antirrhinums in a silver bowl formed an attractive centerpiece. Those present were: Mrs. F. W. Gill, Mrs. M. Gillespie, Mrs. H. A. Goward, Mrs. George Hartnell, Mrs. B. R. Clever, Mrs. J. H. Moore, Mrs. K. Lavall, Mrs. J. L. Tait, Mrs. Alex Stewart, Mrs. T. B. WEDDINGS

CAMPBELL-CLARK

A wedding was solemnized at 8.30 Saturday evening at the Metropolitan Mansie, when Rev. A. E. Whitehouse united in marriage Irene Margaret, second daughter of Mrs. M. A. Clark and the late Mr. Clark of Shirley, B.C., to Mr. Archie Campbell, second son of Mr. and Mrs. A. Campbell, Beaver Lake, Royal Oak.

The bride, given in marriage by her uncle, Mr. Edwin Clark, wore a two-piece dress of royal blue French wool, with jacket embroidered in wool, and a blue and grey crepe turban and blue and grey accessories. Her corsage bouquet was of cream-roses and madags and pink sweet peas.

Miss Gladys Clark, sister of the bride, as bridesmaid, wore a frock of Suez crepe, with hat and accessories to match. Her corsage bouquet was of pink carnations and sweet peas. Mr. William Campbell, brother of the groom, was best man.

A reception for the immediate families and a few close friends was held after the ceremony at the Dominion Hotel. The table, centred with a three-tiered wedding cake, was arranged with daffodils and red tulips. The bride party was assisted in receiving by Mrs. Clark, mother of the bride, in an azure blue crepe satin gown with floral jacket and navy straw hat and accessories, and corsage bouquet of pink roses and carnations, and Mrs. Campbell, mother of the groom, in a gown of wine-colored crepe with wine-colored boucle straw hat trimmed with French flowers, accessories to match and a corsage bouquet of gardenias and roses.

After a honeymoon trip to the Sound cities, for which the bride donned a grey cloth coat with wolf collar, Mr. and Mrs. Campbell will make their home at 3200 Millgrove Avenue. Among the many beautiful gifts received by the young couple was an electric iron and toaster from the bride's fellow-workers of the Hudson's Bay Coffee Shoppe.

The out-of-town guests were: Mrs. W. J. Edwards, Comox; Mrs. W. H. Anderson, Otter Point; Mr. and Mrs. H. F. Anderson, Otter Point; Mr. and Mrs. E. Clark, Shirley; Mr. and Mrs. G. McIntosh, Mr. and Mrs. V. Eve and Miss Helen Welsh, all of Sooke.

MARTIN-SMITH

On Saturday evening at the home of Rev. A. deB. Owen, the marriage was solemnized of Lillian Dora, daughter of the late Mr. and Mrs. Wm. Smith of Winchester, England, and Frederick John Martin, son of Mr. and Mrs. Wm. J. Martin, 1069 Redfern Street.

The bride, who was given in marriage by her uncle, Mr. G. F. Wrang, wore a gown of French blue crepe with matching shoes and hat of the same shade. Her corsage bouquet was of forget-me-nots and pink roses. A reception was held at the home of Mr. and Mrs. G. F. Wrang, 949 Cowichan Street, where spring flowers, pink and white streamers, pink candles and white wedding bells were arranged effectively. Mrs. Wrang, the bride's aunt, in a gown of wine-colored crepe, and the groom's mother in black crepe with a white corsage bouquet, received the guests. The supper table was centred with a three-tier wedding cake, and from the chandelier were suspended pink streamers. Pink roses and pink tapers added to the charming effect.

After a honeymoon trip by motor up-island, for which the bride left wearing a navy blue coat and hat and matching accessories, Mr. and Mrs. Martin will live on Cook Street.

Among the many gifts was a handsome dinner service from Mr. and Mrs. Devereaux and employees of the Pie Shop, View Street, where the bride was employed for a number of years; also a case of cutlery from Mr. and Mrs. Fred Green of Winchester, England.

GRINYER-MILLER

At the home of the bride's mother, 1327 Denman Street, on Saturday evening, Rev. Th. H. McCallister united in marriage Christian Brydon, second daughter of the late Sgt.-Major R. C. Miller, 103rd Battalion C.E.F., and of Mrs. Miller and Mr. Charles Francis Grinyer, eldest son of Mr. and Mrs. C. R. Grinyer, Toronto. Pink, white and blue featured the general decorative scheme throughout the house, and the bride and groom stood in a window embrasure beneath pink and white streamers and a large white bell between tall baskets of flowers.

The bride was given in marriage by her brother, Mr. Robert Miller, and wore an "angel-flight" frock of ivory printed satin with a slight train and girdled with forget-me-not blue velvet. Her doll hat was covered with forget-me-nots worn under a veil, and her only ornament was an old-fashioned gold locket which had been her mother's. She carried a white prayer book with streamers showered with forget-me-nots falling from a single gardenia. Mrs. Fred Harknett, sister of the bride, was matron of honor in a bolero frock of pink corded taffeta with a full shirred skirt, worn with a Queen's blue wide-brimmed mohair hat trimmed with flowers and pink ribbon. She carried a bouquet of pink carnations and blue iris tied with blue ribbon. Mr. Leslie George, Vancouver, was best man.

An informal reception was held after the ceremony, the guests being welcomed by Mrs. Miller, in a floor-length gown of blue sheer, with a corsage bouquet of red roses and white sweet peas, assisted by her daughter, Mrs. Leslie George, in a frock of French blue silk crepe, with a corsage bouquet of yellow roses and mauve sweet peas and black accessories.

The supper table was covered with a lace cloth and centred with a silver bowl of pink carnations, blue forget-me-nots and white narcissi, and the bride's cake stood on a small table between small vases of flowers. After a short honeymoon, Mr. and Mrs. Grinyer will make their home on Balmoral Road. The bride went away in a rust shade frock, with rust and black accessories and a jigger coat of "Lassie" blue.

Mrs. J. Stewart and Mr. Robert Miller, Vancouver, were guests at the wedding.

Among the many gifts was a Kenwood blanket from the bride's friends at the New Method Cleaners and a mantel clock from the staff of Rennie and Taylor's, where the bridegroom is employed.

In Australia, fence posts exude the fragrance of raspberry jam. The odor comes from the timbers of the umbrella bush, which is used for the posts.

Short Skirts To Be Worn at Royal Garden Party

No Black Gowns For State Dinner, Says Ottawa Designer

By JESSIE MACTAGGART

OTTAWA—Everyone will wear short skirts, street length, at Their Majesties' garden party at Rideau Hall next month. They will wear large picture hats, and the deepest color will not be darker than violet.

Most of the costumes, said a prominent Ottawa costumer, will include a redingote of silk or light wool, for none can depend on the weather of May 20. And everywhere there will be furs, furs and furs.

For the state dinner, the utmost formality will be observed in the design of gowns. Laces, laces so elaborate they are being embroidered in chenille and soft embroidered in chenille and metal threads, mousselines as soft as June breezes, and metal brocades that a queen might wear are the materials. Many of them have come from the French houses, Bianchi, Ducharme and Coudrier who supply materials to royalty.

METAL FABRICS PROMINENT

Colors of all the dinner gowns tend to those worn at the Coronation functions, said Mrs. McCrea. There was, she said, "a definite swing" toward gold and purple. Some of the materials will be gold and silver metallics, and the lengths on the shelves are the same materials as were ordered for the state functions on Their Majesties' visit to Paris.

Debutantes attending the state dinner and other evening functions at Government House are being faithful to crinolines. "Paris tried to put crinolines out, but the Queen wore crinolines and costumed could do nothing about it. So crinolines are, in again for the young girls, crinoline petticoats, hoops and all."

Most of these crinolines are of organza, starched laces, failles or crisp paper taffeta, and their colors are pastel. If patterns appear on the material they are finely woven metal threads. One such material is a pale cameo pink with a very small circle in silver lace embroidered upon it.

Nothing black will be worn at the state dinner. Colors for matrons are largely Mayfair lilac and Regina blue, both of which come in three shades and were selected by Her Majesty, and desert and temple gold.

These colors are reflected also in the garden party frocks, and add to their range pastel purples that run from pompadour orchid to bishop's purple and blues from palest mist to madonna blue.

Though hats mostly are picture hats, skirts still will be street length, actually short as one plans to wear them on the street all summer. Because the weather may be uncertain everyone is counting on furs, jackets, scarfs, all kinds of furs, and at any rate a costume that won't be out of place if the skies are grey and a good breeze blowing.

PRINTED SILKS POPULAR

Printed silks are being worn as dresses, but invariably there is worn with them a silk coat in redingote style, almost always the same length as the dress. The printed silks are in both small and large patterns, some so gay that in the French materials you can see the artist's brushmarks in the gay blobs of color. The redingotes range from sheers-through which you can see the patterned silk of the dress to opaque failles.

There are also some smart dressmaker woolsens being ordered, very feminine in cut and glorified with furs. Their colors are cloud grey, honey beige and hedge rose and with them are being worn very sheer printed blouses in gorgeous colors and flimsy froufrou jabots that cascade forth at the neck.

Most of the hats are large picture hats, many bearing flowers.

Y.P.S. PRESENTS PLAY

On Friday evening St. Andrew's Presbyterian Y.P.S. presented two one-act plays "Box and Cox" and "Doctor For a Day." The principals directed by Prof. J. Adam gave a creditable performance. The instrumental trio composed of Miss Amy Anderson, Mr. K. Cooper and Mr. Howard rendered four musical numbers. During the intermission the girls of the society sold candy. The first play was a farce in one act, the setting a bed-sitting room in a London rooming house. The second, a farcical comedy, the setting a doctor's office. Both plays were enthusiastically received.

It is claimed by some mechanics that steering troubles can be caused by uneven balance of one of the front wheels, caused by a heavy patch on the inner tube. The solution they advance is to place a duplicate patch on the opposite side of the tube.

The Queen recently attended a party and reception in London's Guildhall in aid of the National Birthday Trust Fund for Safer Motherhood. Among those present were 200 mothers from all part of England, who mingled with debutantes in court dress. One hundred debutantes formed an escort for the Queen, and sat on blue cushions (as shown above), before the Royal dais. This picture taken during the speech-making shows, from left to right, in the front row: Lady Baldwin, Lady George Cholmondeley (speaking), Queen Elizabeth, the Lord Mayor, Sir Frank Bowater and the Lady Mayoress.

Send Donation to Peace River Fund

Victoria Women's Institute held its business meeting Friday afternoon, Mrs. L. Schmelz, president, in the chair. Silence was observed in memory of the late Lady Aberdeen and also the late Alderman James Adam, who had always shown great interest in institute work. An appeal from the Peace River district Women's Institutes for financial aid in establishing a rest station at Dawson Creek was responded to with a vote for \$25.

Mrs. J. L. White secured a spinning wheel which had belonged to the late Mrs. Harris, an artist in the wool craft, to be purchased by the institute. Mrs. White announced the School of Crafts to be held in June under Dr. Schrum's Youth Training scheme. Mrs. Fanthorpe will convene the tea room at the spring flower show on May 5 and 6. A social will be held on Thursday, May 4, for which an interesting program is being arranged by Mrs. T. C. Johns, convener.

Mrs. L. Schmelz suggested tea be continued at the rooms on Tuesday afternoons after craft classes close for the summer on April 25. A class in weaving under Mrs. M. Attwater is being planned for the last two weeks in July if sufficient interest is shown. Anyone caring for information is asked to phone Mrs. J. L. White, 250 Government Street.

Mrs. A. Mark gave the treasurer's report, which showed a good balance.

During the afternoon, Mrs. J. J. O'Brien spoke on "Credit Union," giving an enlightening parallel on the origin of the idea and our "isms" of today, showing the success of all groups having given the system a trial. It was decided a study group be started on the subject.

C.G.I.T. Entertained

The girls of the Oak Bay United Church C.G.I.T. Group, held their annual mother and daughter banquet one Friday, with approximately 40 persons attending. Present as guests were Rev. and Mrs. F. R. Dredge, Mrs. Gerry, Mrs. Mulholland, Miss Jones, Mrs. Robson, Mrs. Murphy, Mrs. Harris, Mrs. Junget, Mrs. Wilkinson, Miss Lait, and Miss Molly Kennedy. The hall was decorated in blue and white, the C.G.I.T. colors, and the centerpiece was a large basket of white japonicas and bluebells.

During supper, Margaret Junget, the president, proposed the toast to the King; Barbara Hill proposed the toast to the church, the response being given by Rev. F. R. Dredge. The toast to "Our Mothers" was given by Irene Hannah, and the response was given by Mrs. Cochrane, with a toast to "Our Daughters." Miss Jones, general secretary of the Y.W.C.A., gave an interesting talk upon "The Mothers and Daughters of Today," followed by two selections by the Sunday school violin ensemble, conducted by Mrs. Kinghorn. Marie Cochrane's amusing recitation closed the program.

Mrs. Mulholland proposed a hearty vote of thanks to the leaders who have carried on the C.G.I.T. work so ably under severe handicaps. The proceedings finished by a sing-song in which everyone took part.

WEDDINGS

MORAS—McDOUGALL

ALBERNI — Daffodils, narcissi, tulips and ferns, decorated All Saint's Church on Saturday evening for the wedding of Doris McDougall, eldest daughter of Mrs. J. Erho of Beaver Creek, and Mr. H. Moras of Alberni, son of Mr. and Mrs. M. Moras of 646 Belton Avenue, Victoria. The service was performed by Rev. Glen Stevenson, and Mr. J. Howatt supplied the music, while Mr. Wm. Mosher supported the bridegroom as best man.

Given in marriage by her stepfather, the bride was gownned in oyster white chiffon de soie, over satin, fashioned with square neckline and short puff sleeves. Her long silk tulle veil fell from a halo of orange blossoms and she carried shower bouquet of Talisman roses.

Mrs. Alma West was matron of honor, and Miss Edith Somers and Miss Thora Winders were bridesmaids, all in taffeta frocks in period mode, with full skirts and short puff sleeves. Turquoise was the color worn by Mrs. West as matron of honor, with rhinestone shoulder straps and ruching of marine blue velvet on hem of skirt. She wore a Juliet cap of silver sequins and slippers and carried bouquet of pink and white carnations.

Miss Somers wore yellow taffeta, and Miss Winders wore rose, each with Juliet caps of gold and silver leaves, and carried bouquets of pink and white carnations. Miss Donna Erho, sister of the bride, was flower girl in orchid colored organza, and carried a Victorian bouquet of violets and primroses.

A reception was held at Norway Hall after the ceremony. Mrs. Erho, mother of the bride, and Mrs. Moras of Victoria, mother of the bridegroom, receiving the congratulations with the newly-wed couple. Blossoms and ferns decorated the hall, and roses in silver vases supplemented the four-tiered wedding cake on the bride's table. Later in the evening Mr. and Mrs. Moras left for Vancouver and Victoria, en route to Seattle and Sound cities on their honeymoon, the bride traveling in a tailored suit of black and white pin stripe with fuchsia accessories. On their return they will reside at Beaver Creek, Alberni.

Hollywood Stars Quietly Wed

Annabella Bride Of Tyrone Power; Doug Fairbanks Jr. Wed

HOLLYWOOD (AP)—Tyrone Power, young film actor, and Ann Carpenter, known on the screen as Annabella, were married Sunday morning in a quiet ceremony at the bride's Bel-Air home.

With only members of Power's family and a few friends present, the ceremony was performed by Superior Judge William J. Palmer. Don Ameche, film actor, was best man, and Mrs. Charles Boyer (Pat Patterson) was matron of honor.

Power, previously unmarried, is one of the screen's leading young romantic actors. Annabella, born Suzanne Georgeette Carpenter, came to Hollywood after attaining stardom in Euro-

pean movies. She was divorced last year from her second husband, Jean Murat, French actor, and has a five-year-old daughter by her first husband, who is dead. Power is 25 and Annabella 26.

Their wedding was the second in movie circles in as many days.

Douglas Fairbanks Jr., film actor, was married Saturday to Mrs. Mary Lee Epling Hartford, young society divorcee, in a quiet church ceremony.

Paris bandits bound, gagged and chloroformed Dorothy Rambaud, a above, former American film actress now living in France, robbed her of jewelry valued at 300,000 francs.

Rhapsody in Blue As Bridal March

London Society Girl Has Novel Music; Ex-fiance There

LONDON — An interesting bride in the news recently was Miss Pamela Phillimore, 21-year-old heiress, who had been twice previously engaged and who said when her first engagement was broken off that she would "never marry now."

Miss Phillimore is a daughter of the late Captain Paul Phillimore, 17th Lancers, and was a Ward in Chancery until her 21st birthday in February.

The bridegroom was Mr. Gilbert Alastair Cockburn, aged 20, who was an early arrival at St. James's Church, Spanish-place, with his right arm in splints—the result of an accident.

Owing to the illness of the bride's aunt only 20 guests were present at the wedding which took place in the late afternoon in a dimly lighted church.

The bride wore a loose white Greek gown and head-dress with long, heavy earrings and carried a prayer-book. The organist played Gershwins' "Rhapsody in Blue" as she entered the church.

The first of Miss Phillimore's fiancés was there to wish her luck.

Clubwomen's News

Mrs. L. Powers and Miss Molly Powers, after spending the winter in Victoria, returned on Friday to their home, Langford Lodge, Langford Lake.

The Native Daughters of British Columbia, Post No. 3, will hold their first social evening at the home of Mrs. W. G. Roach, 631 Wilson Street, on Wednesday evening.

The W.A. to Pro Patria branch, Canadian Legion, will hold "open house" Friday evening at 8 in the Women's Institute Rooms, Fort Street. An interesting program has been arranged. Artists will include Mme. Edith Mayell, two sketches by the Langford Players; songs by Mr. Sid MacAllister, and Mr. Frank Partidge; accompanist, Mrs. Grace Deaville. Refreshments will be served.

Members on senior regent escorts and officers of the Victoria Chapter No. 25, Women of the Moose, will hold a ritualistic practice at 7 tonight prior to the social meeting at 7.30 in the K. of P. Hall. It will be followed at 8.30 by a whist drive, members to bring refreshments. All intending to go to Nanaimo on Thursday are asked to notify Mrs. E. Burke or the senior regent, Mrs. M. Carter, before Tuesday if possible.

The members of the Venture Club held their regular "work meeting" on Friday evening at the home of their convener, Mrs. F. Robertson, Drumadon, Cadboro Bay. During the evening Mrs. Robertson gave an interesting talk on her recent visit to the Soroptimist Conference at Calgary. Those present were: Lorna Turpel, Pearl Lewis, Louise Rogers, Gertrude Day, Violet Day, Kay Davey, Irma Falk, Ellen Varney, Gertrude Durkin, Emily Durkin and Janet Graham.

South Saanich Women's Institute met Thursday afternoon at the Temperance Hall, Mrs. Polson, the president, in the chair and a good attendance of members. Final arrangements were made for the silver tea in the Annex of the Hall on Wednesday, April 26. A large bundle of children's clothing was made and turned in by the members and will be sent to the nurses of the Saanich Welfare. The card party will be held this evening. The meeting closed with a social hour. Mrs. Rate and Mrs. J. Nimmo as hostesses. The lucky prize donated by Mrs. Hardy was won by Mrs. J. Nott.

The Junior Catholic Women's League at their recent meeting elected officers as follows: President, Mrs. C. Rivers; vice-president, Mrs. L. Mischeaux; secretary, Mrs. J. Cullingford; treasurer, Miss W. Comerford; councillors, Misses Mary Morry, Nora O'Connell, Nellie Cannon, Agnes Bantley, Mona Doyle and Rose Maguire. Miss H. O'Brien, social welfare convener, gave an interesting talk on welfare work in the city, urging the juniors to take a more active interest in such work. Miss Mary Comerford, 870 Esquimalt Road, offered her home for the membership tea on May 7, convened by the following members: Misses Mary Morry, Nora O'Connell and Nellie Cannon. The next meeting will be held at the home of Miss Mary Morry on Monday, May 8.

SHORT WAVE CLUB

The regular meeting of the Victoria Short Wave Club was held on Saturday night in the clubhouse, with R. J. Tate, president, in the chair.

E. Hammett, publicity agent of the club, tendered his resignation and L. McCulloch was appointed to that position.

Plans were made to have a number of the club members visit Port Angeles on May 6 when they will be entertained by the Port Angeles amateurs.

G. Hardwick and E. Hammett were congratulated upon obtaining their amateur licenses.

An application for membership was received from D. Jarvis.

L. Barrow of Vancouver spoke briefly and conveyed greetings from the Vancouver clubs. Other visitors included O. Alexander, D. Jarvis and T. Dixon.

Following the meeting a number of portable batteries, donated by Wm. Spouse, were distributed to the members.

Sooke

SOOKE—An old-time dance was held in the Sooke Hall last Friday evening under the auspices of the Sooke Community Association. There were 200 present, with Stewart's orchestra supplying the music.

The card party which was to have been given by the Sooke and North Sooke Women's Institute in the Sooke Community Hall April 25 has been postponed.

The monthly meeting of the Women's Auxiliary of Holy Trinity Church was held at the home of Mrs. G. Throp last Wednesday with Mrs. M. Austin in the chair. Arrangements were made to hold a garden party at Woodside Farm, June 28. The next meeting will be held at the home of the Hon. Mrs. Bowen-Cole.

STRAWBERRY VALE

Under the auspices of the parent group of the 1st Colquitz Scout Patrol, a card party was held last Friday evening in Sevenoaks Hall. The proceeds will be devoted to the flag fund. The winners were: First lady, Mrs. Prior; second, Mrs. Goldie; first gentleman, Mr. L. Jarvis; second, Mr. A. Holmes; consolation prizes Mrs. C. T. Cudmore and Mr. Hall. Arrangements were made to hold the next meeting of the parent group on Tuesday evening at 8 in Colquitz Hall.

Britain Guards Lifeline

Correspondent Describes Measures From Iraq and India to Hongkong

Lloyd Lebrass, an Associated Press correspondent at different periods in Europe, Latin America and eastern Asia, arrived Sunday in Rome after a flight from the Orient, where he covered the war in China. He wrote the following:

ROME—Great Britain's "lifeline" to the Far East has been galvanized into defensive action by the war clouds hovering over Europe.

A six-day flight from Hongkong, completed today, disclosed the British are on the alert and swiftly preparing for any eventuality that might threaten their possessions in the Near and Far East.

In Hongkong, where war talk immediately brings up the possibility of Japan joining Germany and Italy in any conflict, Britons acknowledge they are apprehensive of a Japanese attack on the crown colony.

Army and navy commanders are hurrying defence works to begin when Japan's designs on south China threaten British interests in the Orient.

An air raid precaution program is under way, British reservists are active and the Hongkong government has published a decree authorizing internment of any aliens in the colony.

SIAM'S POSITION
Bangkok's foreigners, mostly British, animatedly are discussing the role Siam might play in any war in the Far East.

Japanese are increasingly active in Siam, attempting to incubate a pan-Asiatic movement, while British authorities are doing all in their power to keep Siam from coming under Japan's influence.

Rangoon newspapers feature Burma's defence precautions, including plans for protection of the only two areas considered to be in danger of aerial bombardment by any enemy.

Newspapers in India devote extensive space to European developments and possible repercussions of those in China. India is a vast reservoir of troops for any operations in the Near East or eastern Mediterranean area.

SUEZ DEFENCE
British officers of the Indian army were reported en route to Cairo to make preliminary investigations for garrisoning Indian troops in Egypt to defend the Suez Canal and participate in any Near Eastern action.

Although India was considered relatively safe from aerial bombardment, Bombay, Calcutta, Madras and Karachi—the British army's major military ports for India—could be attacked by enemy warships.

A large Royal Air Force camp has been established on the shore of Lake Habbaniyah, in Iraq, for reconnaissance flights over that section of the Near East, and especially along the oil pipeline across the Iraq desert.

269 Years of Service

Under 14 British Sovereigns

When King Charles II, in the year 1670, signed the Charter of the "Governor and Company of Adventurers of England Trading into Hudson Bay," it could not have been deemed likely that centuries later the Company would still be in existence, more virile and vigorous than ever. The Company has assisted in opening new territories, taking supplies to the settlers, carrying their produce to the markets and, in many cases, governing and fighting off enemies. Throughout, the slogan of the Hudson's Bay Company has been "Value for Value," and of every opportunity "Quality and Service" has been given.

Down through 269 years the above policy has been proven the best, by the confidence and trust of the many customers. "The Bay" has carried on... the oldest merchant trading company in the Empire... studying the people it served, to learn their needs, and supplying these needs at the most reasonable prices possible. Now, "The Bay" marches on to new achievements and a still greater future! See the Historical Window Display. Watch "The Bay" ads for important news!

GOLF IS THE MOST mental and least violent of sports, yet its stars fade quicker than those of the wearing game of baseball. The peak years for a golfer now appear to be between 26 and 31.

That is where you find Snead, Guldahl, Nelson, Metz, Runyan, Picard and Smith. The professional game has speeded up to a point where prodigies require more time to crash the front rank.

Fighters have fought longer than a links headline now is supposed to retain the sharpness of his game. Bob Fitzsimmons won the heavyweight championship at 35... went to the wars at 32. Jim Corbett was 34 when he battled Jim Jeffries 23 bruising rounds... tackled the brawler again at 37. Jack Britton was an active combatant at 44.

Cy Young, Honus Wagner, Cobb and Speaker were in their early 40s when they stepped out of the diamond picture. Jimmy Dykes can still make plays and long throws from third base at 42. Lefty Grove anticipates a good season at 39. Bill Terry was a fair to middling first sacker at 38.

Yet a fluttery stomach and sleepless nights in completing his impregnable quadrilateral of golf were among the things that prompted Robert Tyre Jones to retire in 1930 at the ripe old age of 28. Horton Smith, not yet 30, fears that he stands a very excellent chance of running downhill, although the personable Missourian hopes to stay in the top flight for another decade.

"This modern game is getting tougher every minute," he asserts. Scarcely a day passes that Smith doesn't play golf, yet he says he doesn't concentrate hard enough on the game.

At 36, Billy Burke believes he is playing as well as he did eight years ago, when he won the United States Open at Inverness after a second play-off with George von Elm. The Cleveland veteran probably is, but when he equaled the Masters' Tournament record of 282 the other week-end, he saw Sam Snead steam in with 280 and Ralph Guldahl roar through the stretch for a 279.

None of the younger crop were excited when Gene Sarazen tied the Masters' record for a single round with a 66 to take the lead on the second.

"Sarazen can't get there," they chorused. "He's an old man." It turned out that they were right. Gene could not slow down... was fighting himself... had a nervous complex on the pay-off day.

The pressure had the once unshakable Sarazen... at 37. Sarazen was a daring player, but the older a golfer gets the more conservative he becomes, and the woods are now full of young players on sturdy legs and with steady nerves... shooting straight for the pin with deadly accuracy... truly great from tee to green.

No longer is the playing professional one who plays only several times a year and principally for fun. The winter tournaments enable the more capable playing pros to make an all-year-round business of playing the game and to specialize in it.

Golf becomes a very serious business when you have to shoot your way around the circuit... with the size of your income depending upon where you finish. The improvement in golf is not entirely due to superior equipment.

Buffaloes Lead 'Y' Club Competitions

In the weekly prep interclub competitions at the Y.M.C.A. Saturday, Buffaloes stayed in the lead with 195 points over the second-place Tigers' 184 points. The Lions moved into third position with 160 markers—with the Leopards slipping to the cellar position with 150.

The leading team is composed of the following: Eric Dowell, Alan Clark, Don Walker, John Hawthorne, Larry Davenport, Dick Lipsey, Richard Davenport, Don McKinnon, Albert Cox, Leslie Beeston, Gerald Hicks, Rodney Hunt, Ken Edwards, Harold Dawkin, Ray Van Druten, Allan Cox, Happy Wells and Don Emery.

The competitions are held in indoor running and swimming.

Allows Only Four Hits As Detroit Tigers Blank Cleveland 8 to 0

Schoolboy Rowe is back to stay. His four-hit, 8 to 0 shutout of Cleveland Indians, as noble a comeback bid as sport has seen in many a year, didn't cause New York Yankees to lose sleep last night, but it certainly raised Detroit Tigers into consideration for a spot better than their fourth place of last year.

The big Texas right-hander, who pitched Detroit to an American League pennant in 1934 and helped less spectacularly in their 1935 repeat, showed no trace of an arm ailment yesterday in his first appearance this season. He struck out four and walked only one man. The hits he yielded were three scattered singles and a double.

Rowe's arm went dead in the spring of 1937 and after he worked in 10 games with no success, he retired. He failed to comeback last spring in four games with Tigers, but had a moderately good year with their Beaumont farm in the Texas League. Now he looks like the hero of old. Incidentally, he contributed a triple and a single to the team's rout of the Indians.

PAUL DEAN FAILS

In contrast to Rowe's return was the rebuff received by Paul Dean, who also sought to comeback yesterday for St. Louis Cardinals after losing his pitching feel in 1937 and spending most of last season in the Texas League.

Dean was belted out of the box in the fourth inning by Chicago Cubs and charged with the 6 to 5 loss. He worked three scoreless innings on one hit before Cubs crashed through with hits and four runs in the fourth.

In the other National League games Harry Gumbert struck out 11 and permitted only one hit for six innings as New York Giants subdued Boston Bees 4 to 2; Cincinnati Reds took their second straight from Pittsburgh Pirates 7 to 2, behind the six-hit pitching of Bucky Walters, and Philadelphia Phillies took another of their hair-raising exhibitions from Brooklyn Dodgers.

It was the Phillies third extra-inning game of the week-end season, and little Heinie Mueller won it for them 5 to 4 by singling with the bases loaded in the 12th. New York Yankees maintained their record of not having lost to a lefthander (against whom they're supposedly weak) by knocking Ken Chase, of Washington out of the box in the fourth and going on to win 7 to 4. This victory and Cleveland's defeat returned Yanks to the top of the American League.

Chicago White Sox amassed 19 hits, including four doubles by Marv Owen, which tied a major league record, to wallop St. Louis Browns 17 to 4, and Philadelphia Athletics reared up with a six-run flurry in the eighth inning to decide a weird contest against Boston Red Sox 12 to 8. Each team used five pitchers.

L. Holyoak Hooks 23-Pound Salmon

Reels in First Button Fish of Season At Brentwood

Len Holyoak got off to a flying start in his bid for possession of the Poodle Dog Cafe Cup for the second consecutive year yesterday when he hooked the first button fish of the 1939 season of the Victoria-Saanich Inlet Anglers' Association at Brentwood.

He reeled in a 23-pounder that was well hooked to one of his home-made Mac West spoons. Besides the big one, Holyoak got five others, ranging in weight from 10 to 12 pounds. They were on display at Wilson and Lenfesty's store today.

Barry Higgs reeled in a couple of 12-pounders yesterday, but on the day previous repeated his catch of nine springs last Wednesday. They weighed around 10 pound apiece.

The salmon run, which entered the Inlet in the middle of the week, attracted a lot of anglers to the fishing grounds yesterday and while big catches were plentiful there were quite a number of boats with one and two springs aboard. Those who went after grise did well.

A survey of Saanich Inlet salmon-fishing grounds was made by the executive of the Victoria-Saanich Inlet Anglers' Association yesterday on the luxury cruiser Phoenix, owned by Chuck Kinloch.

The survey was conducted to find the most suitable spot to place a mooring float to facilitate boat owners who wish to stay on the Inlet waters overnight and as a retreat in the event of storms. The officials found Quarry Bay the most likely spot for such a scheme. It is well sheltered.

The party was comprised of Harry Woolston, president; George "Joker" Patton, executive member and chairman of the tackle and investigation committee; Dave Cook, secretary; Tommy W. MacPherson, past president; Chuck Kinloch, first vice-president; Ray Ritchie and Bill Rowe, members of the executive committee.

B.C. Ruggers Win

Victoria Boys Star as Canadians Wind Up Series at Treasure Island

TREASURE ISLAND, San Francisco (C.P.)—British Columbia All-Stars are on their way home today after clinching a four-game English rugby series with northern California teams here Saturday with a 13 to 3 victory over the California Collegiate All-Stars.

Leaving a record of victories over the University of California, University of San Francisco and the All-Stars and a loss to Stanford Indians, the Canadians packed their bags Saturday night following a big farewell dinner in San Francisco.

Forward Frank Doherty of Victoria scored two tries in the final battle at the Golden Gate Exposition Sports field to head the victory parade which was marred only by a hard tackle in the second half in which Hump Payne of British Columbia and Mullen of California suffered injuries.

British Columbia led 8 to 3 at half time, thanks to tries by Doherty and Bray and a convert by George Biddle. Mullen, who plays forward, booted California's plays forward in a penalty kick three points in a penalty kick.

Cage Capers

By T. F.

Whoever wins the Canadian basketball championship—Dominoes or Windsor-Alumni—certainly will know they've been through a tough series if Saturday's tussle was any criterion.

It was a great win for the locals; no one can deny that. But what a game the easterners put up considering they had just stepped off the afternoon boat after a cross-country train journey.

"It looks like another Dominoes-Westerners" series was Referee Tim McCulloch's reaction to the fierce battle. After the easy time they had during the semifinals with Winnipeg, both whistle handlers certainly earned their salt Saturday.

Red-headed Bert Davies played one of the finest games of his career in our opinion. The elusive forward was everywhere; and he made no mistakes with his shots. "Bert," incidentally, scored Dominoes first basket (an honor usually reserved for Busher Jackson) and scored the first free shot of the game.

While the orchids are being passed around we cannot overlook Ian Allison. Another Jimmy Bardsley is our best description of him. To use Reeve Alex Lockley's words, "If they can stop Allison they are stopping the equivalent of three men."

Dominoes to win in four games. That is Reeve Lockley's prediction. He figures the locals will have the visitors tabbed when they can effectively stop that criss-cross passing.

First basket of the series was scored by Glen Sherman, Windsor—a beautiful one handed from the side court. Stan Nantais, Alumni guard, drew the first free shot from Hank Rowe, but missed.

"The refereeing wasn't too hot. Game was too scrappy. Referees could stop a lot of that" was the pointed comment from Bob Whyte, veteran basketball.

"I'm certainly getting the biggest surprise of my life. It's a different Windsor team to the one I saw four years ago," admitted Jack Taylor at half time.

It appeared basketball wasn't one of Premier Pattullo's favorite sports, when was in his prime. Officialing at the opening of the Prime Minister made a couple of attempts to toss the ball in the air, but they were somewhat wild.

"We've just gotta win, that's all," Art Chapman told us at the half way mark, when Dominoes were four points down. It was just that spirit that won the game for Victoria. "Do you ever remember a tougher game?" we asked Art when it was all over. "Yes, the next one," was the reply.

What a great stalwart that man Chuck Chapman is! Time and again he broke up Windsor rushes, and in the last quarter was forcing the Alumni to shoot from well out at all angles.

The effect of train and sea trip on the Alumni team was seen during the last quarter when Coach Bill Butler had to keep making substitutions for his tired regulars.

"Davies is the best man to stop Allison. If they make that his job they should have little difficulty in taking the series," commented Byron "Boss" Johnson, former Victoria M.P.P., now of New Westminster, who was in town for the opening game.

There's one shot every visiting team has a tough time to stop. It is the one when Hank Rowe is "in the hole." The lanky guard is usually facing out from the basket and being closely checked, then he starts to jump and finally on the third attempt he jumps and twists in the air to shoot and usually scores.

Incidentally, if there ever was a marked man on a team it was Rowe Saturday. Every time he got the ball there were at least 100 eyes on him.

Easterners Tire and Lose 37-29

Victoria Team Takes Lead in Canadian Basketball Final; Play Tonight

Smashing through a stiff Windsor Alumni defence in the second half to outscore the eastern champions 23 to 11, Victoria Dominoes captured the opening game of the Canadian basketball final at the Victoria Sports Centre auditorium at the Willows Saturday night 37 to 29, Windsor led 18 to 14 at half time.

Close to 3,000 cheering fans witnessed an interesting exhibition, although the calibre of play was not up to that expected. Dominoes got away to a poor start while Windsor, who reached the city Saturday afternoon after a 3,000 mile trip across the continent, tired badly in the second half.

Up until the late stages of the fourth quarter the score was always close and with the teams battling basket for basket the spectators got plenty of thrills and went home satisfied.

The clubs will meet in the second game of the best-of-five series tonight, starting at 8.30. Third game is scheduled for tomorrow evening, at the same time, and the fourth and fifth engagements, if necessary, Thursday and Friday.

PREMIER EXTENDS WELCOME

Premier T. D. Pattullo extended an official welcome to the Windsor players and officials before the start of the game and after being introduced to the members of both clubs tossed up the first ball. The Premier was introduced by Johnny Johnson, president of the Dominoes club.

Big Hank Rowe and little Bert Davies carried the scoring punch for the Dominoes with 12 and 10 points, respectively. For three quarters Windsor bottled Rowe tighter than the proverbial drum, but the big fellow broke loose in the last quarter to score eight points when they were needed. Rowe took a beating at right, but kept right in there, fighting to give a great exhibition. Davies, real little fireball of the Dominoes, was all over the floor, and his speed and shooting were a continual source of worry to Windsor. When Davies left the floor for a well-earned rest in the last minutes of play the diminutive red-head received a tremendous hand.

Busher Jackson, Art Chapman, Chuck Chapman and Roy Taylor were the other Victoria players who shared in the victory. The first-named got himself six points, all from long shots. Art and Chuck Chapman snared four points apiece and did yeoman service on defence. Taylor proved a valuable relief player, spelling Rowe, Jackson and Davies. Dominoes used only the six men.

STEWART CLEVER

Jimmy Stewart, one of the most elusive and smoothest players seen in action here, led the Windsor attack with 10 points. This slim little veteran delighted the fans with his fast breaks for the basket and smart sniping. He will be a tough man to cover in future games. Ian Allison and Glen Sherman, the other two members of the first string forward line, got six points apiece. Windsor players showed the effects of their long trip, and the eastern club was forced to substitute regularly. The Alumni used their eight men, as allowed by the rules. In the third and fourth quarters the visiting players wilted badly and were coming off the floor with their tongues literally hanging out.

Play was fairly clean, but tough, a total of 20 personal fouls being called. Windsor were charged with 11. Tom Pendlebury and Stan Nantais, the two players who were given the job of checking Rowe, left the floor on personals late in the fourth quarter. Nantais drew three personals in the first quarter and was used sparingly until the fourth period.

Dominoes outscored Windsor in field baskets 15 to 13. Out of 13 free throws the Victoria players earned seven, while Windsor made three out of nine.

Flashing a smooth offensive Windsor got away to a flying start, and baskets by Allison, Sherman and Stewart gave them an 8 to 2 lead after five minutes' play. Dominoes rallied and scores by Art Chapman and Jackson brought them within two points at the end of the quarter 11 to 9. Windsor outscored Dominoes 7 to 5 in the

Province Soccer Final Decided

Garrison to Oppose Esquimalt After Wins On Saturday

Played under ideal weather conditions but with mere scatterings of fans at both games, Garrison and Esquimalt won the right to meet in the final of the Province Cup soccer series by scoring wins over Victoria West and Victoria City respectively, Saturday afternoon.

The Garrison squad took a 2 to 1 decision over the Wests at the Athletic Park, while Esquimalt was shutting out Victoria City 2 to 0 at the Heywood Avenue pitch.

The final game will be played next Saturday, according to Axel Kinnear, secretary of the Victoria Football Commission, at the Athletic Park, starting 2.45. Thirty minutes overtime will be played in the event of a draw at the end of the regulation time. Tom Robb will referee.

GARRISON 2 TO 1

With a demonstration of fist-cuffs among the players and the typical Victoria soccer fan having to be cautioned by the referee for general attitude, the Garrison triumph over Victoria West at the Athletic Park, left a bad taste in the mouths of those who like to watch soccer for the game itself.

There were one or two enjoyable minutes during the 90 nevertheless. Play opened with Wests on the offensive, but at the 47 minute mark the trend of play changed and Jimmy Worswick, army centre forward, opened the scoring with a hard-driven kick from a nice pass by Jack Cook, left wing. The cross by Cook came in close to the goal. Net-minder Tommy Restell touched it, but couldn't clear far enough. Worswick trapped it and let go.

Garrison scored again at the 25 minute mark, and things looked serious for the Wests. The suburbs were fighting hard to gain through, but had many a tough break. The second goal for the army lads was scored by Shone, right wing. Worswick fired one that Restell fisted in the air. The ball came down close to the nets and Shone beat Restell to it and rushed it in.

With eight minutes to go the scoring for the game finished with Wright, Victoria West inside left, making his team's only marker. The leather was set up perfectly by Noel Morgan, smart hard working centre-forward, and Wright drove, hard to the left corner.

The half ended with Army making several nice attempts following the West goal. Garrison started the second canto on the offensive but after 10 minutes of pressing had the tables turned on themselves. Woods went on for Henry at the Army inside right position at this juncture.

The next five to 10 minutes saw some of the toughest breaks a soccer team ever has experienced. One Victoria West drive, for instance, saw Roy Barnes, centre half, pop a beauty into the mouth of the goal. George Barnes came in and headed the leather for the nets. The goalie pushed it out. Morgan took it and fired one that rebounded off the crossbar. Barnes took it again and fired it which also hit the crossbar.

A penalty was awarded Garrison when Harold Sage handled the ball. Worswick made the spot kick which went straight to Restell.

Minutes before this, Cooper, West right back, and Shone, Army right wing, were sent from the game for throwing some fists at each other. The referee halted the game seconds after the penalty to caution a group of fans and the game ended with a bad feeling all around.

The referee was Dave Swan. Teams follow:

Garrison: Coldwell, A. Wilkinson, Watt, Kennedy, Thomson, Thorburn, Shone, Henry, Worswick, Edwards, Cook and Woods. Victoria West: Restell, Cooper, Bell, Smith, R. Barnes, H. Sage, G. Barnes, N. Sage, Wright, Morgan, and Dallimore.

ESQUIMALT WIN

The two goals by Esquimalt against a duck egg for Victoria City at Heywood Avenue came late in the final period.

Victoria City outplayed the Dockers in the first half but

didn't have the finish when they arrived at the Esquimalt nets. The Esquimalt netminder, Stewart, used his usual unorthodox style of kicking rather than taking the ball in his hands, but nevertheless pulled some nice saves.

The second half saw Esquimalt buck up considerably, and the two squads looked to be on even terms up to the final minutes. At the 37 minute mark Jimmie Stewart, drive to the righthand corner. Esquimalt inside left, scored the first goal of the game on a high 2 to 0 when a drive by Scotty Stewart, inside right, bounded off an upright to trickle into the goal.

In the time remaining Condon kicked a penalty awarded the City, but his shot was saved by the goalie.

Joe Obee refereed, and teams follow:

Esquimalt: W. Stewart, Joe Watt, Laird, Holt, Moody, E. Barnswell, Bell, "Scotty" Stewart, John Watt, J. Stewart and Purdy. Victoria City: Rowe, G. Robins, W. Robbins, Fieldhouse, C. Robbins, B. Barnswell, McCaig, Munroe, Condon and Williams.

second quarter to lead 18 to 14, at half time.

LOVE BASKET

Third quarter saw the Victoria team tighten its defence and cut loose with some smart offensive play. Windsor was held to a lone field basket by Art and Chuck Chapman, Rowe and Jackson gave the locals a 22 to 20 lead at three-quarter time.

After three minutes of the fourth quarter Windsor moved into the lead 25 to 24 on points by Stewart and Allison, but Rowe dropped through two free throws to give his team the lead again. Chuck Chapman made it 28 to 25, and Rowe, really in his stride, added another two points. Windsor called time out in an effort to collect their forces, but the Dominos kept pulling ahead, and with four minutes to play were on top 36 to 25. Windsor tried long shots in the hope of getting back on even terms, but it was no use, and the final whistle found the Dominos victors by eight points.

Boston Honors World Champs

Bruins Receive Tribute At Dinner Attended By 2,000

BOSTON (AP)—Two thousand hockey fans honored Boston Bruins Saturday night at a dinner in Boston Garden, dining at tables on the same floor on which Bruins captured the Stanley Cup final from Toronto. They heard Mayor Maurice J. Tobin, President Frank Calder of the National Hockey League, owner Weston Adams, and Manager Art Ross praise the league champions, who beat New York Rangers in the preliminary cup series and then went on to rout Toronto in the final.

In awarding the Calder Trophy to goalie Frankie Brimsek as the outstanding rookie of the campaign, the league president said it was one trophy Brimsek could retain permanently. Other awards Brimsek won may be held only one year.

Calder also amended Ross' widely publicized statement that the Bruins were the best club the manager had seen in his 37 years in hockey.

"I will go a step further and say that the Bruins are one of the best teams ever," Calder asserted.

Ross, whose own name appears on the Stanley Cup five times as both player and manager, and who can trace his hockey experiences back to 1896, reiterated his claim.

"And as for Eddie Shore's playing," he said, "show me anyone whose name is on that cup who could come up to the standard of play which Eddie showed this past season—his 13th in the league—and I will eat the cup."

Bear Cats Set For Final Win

Port Arthur Pucksters Seek Wind-up Victory in Allan Cup Play Tonight

MONTREAL (CP)—Port Arthur Bearcats, on the road more than a month in their quest for the Allan Cup, hope to reach the end of the trail tonight in the fourth game of the best-of-five final series against Montreal Royals.

Ahead two games to one, Bearcats can win the Dominion senior amateur hockey title, and the Allan Cup, with another victory. The Ontario team won the first two games 6 to 5 and 3 to 1, and, although they dropped the third 6 to 4, are favored to win tonight.

Royals, stronger than at any time in the play-offs, think they can stop the streamlinelakehead club and force a fifth game Wednesday.

Coach Frank Carlin said last night Royals would be in top form. He added that if the Bearcats had trouble winning when Montreal was crippled, they would have a tougher time with the team at full strength.

Both teams plan to start the same line-ups as in the last game Thursday. For Bearcats that means they will have the team they have used throughout the series, while Royal will start with Buddy O'Connor at centre.

O'Connor, who missed the first two games because of a shoulder injury, is kingpin of the attack on which Carlin bases most of his optimism.

Schriner Recovers

FARIBAULT, Minn. (AP)—Dave Schriner, of Calgary, left winger of New York Americans hockey team, was convalescing today from an operation for a ruptured appendix. Schriner was taken ill while visiting at the home of Rev. and Mrs. William Poetler of Morristown and was operated upon Friday night. His physician said Schriner was "recovering satisfactorily."

'Y' Swim Winners

Miss G. Baxter and T. Tully scored wins in the women's and men's Y.M.C.A. swimming handicaps in the Crystal Garden Saturday night. J. Pendray was runner-up to winner of the women's event, while E. Stark was third and J. Morgan fourth. Second to the finish line in the men's race was D. Smith. R. Johnston was third and D. Moll fourth. Cups at stake are Gwen Bailey Cup for the women and the Safeway Trophy for the men.

MAINLAND SOCCER

VANCOUVER (CP)—North Shore United took a two-point lead over Vancouver Radials in the Mainland Soccer League race here Saturday, with a 4 to 2 victory over St. Saviours. In a second contest, New Westminster Royals downed St. Andrews by the same score.

PEGGY SILBURN AND OTT WIN

Capture Mixed Foursomes At Gorge Vale Links; Cup Presented at Dinner

Miss Peggy Silburn and Mike Ott won the handsome cup donated by Norman R. Hill from a big field of entrants in the mixed foursomes at Gorge Vale Golf Club yesterday, with a gross score of 99, net 78½.

The cup was formally presented at a largely-attended supper held in the clubhouse later in the evening, with Harold Brynjolfsson, vice-captain, in the chair. Mr. Hill presented the cup and accompanying prizes to the winners, who will defend it in the next match.

D. R. Hurdle, the captain, also presented prizes to those who tied for second place, including Mrs. N. R. Hill and C. Hulke, Miss Patricia McConnan and Jake Sangster. Miss Iola Worthington and Fred Painter; consolation prizes to Mrs. D. W. Morry and E. Flude, with a special prize to Dave Fyvie, one of the original committee of the club, and to Miss Evelyn Todd.

Mrs. H. P. Hodges, women's captain, responded to the toast to the ladies, and brief speeches were made by two of the directors, A. J. Maynard and Vivian Gallon, welcoming the many new members.

An entertaining musical program included piano selections by Charlie Hunt, songs and whistling solos by Mrs. C. Hunt, and songs by Miss Maxine High, Mr. and Mrs. Jerry Ritchie, and Bill Fletcher. Charlie Hunt acted as accompanist for the soloists and community singing.

MAINLANDERS WIN GYMNAST LAURELS

VANCOUVER (CP)—Vancouver captured all the major awards in the gymnastic championships of Canada, held here Saturday night under the direction of the British Columbia Recreational Centres.

Art Warburton of South Vancouver won individual all round honors after he captured first place in the parallel bars competition and tumbling. Runner-up was John Matte, also of South Vancouver, who won the high bar.

A third Vancouver gymnast, Elmer Holmes, captured the ring championship, the fourth major event. The national team championship was won by the Provincial Recreation "A" team of Vancouver.

No eastern Canadian entrants were in this year's show. Illness prevented two competitors from Victoria, Ken Marsland and Grant Willis, from entering the championships.

The British Columbia capital city was represented by Don Kerr of Victoria Yvonne Men's Christian Association, who placed third in the high bar, and Doug Marsland, who was sixth in the tumbling.

Sewell Gets Job

CLEVELAND (AP)—Cleveland Indians yesterday signed Luke Sewell, veteran catcher to plug a gap caused by an injury to Rollie Hemaley. Sewell, 38, was given his unconditional release last week by Brooklyn.

Doctors said that Hemaley would be out of the game "indefinitely." He pulled a muscle in his side throwing out a runner at second base on the final play of Saturday's game with Detroit.

CAGE CAPERS

two Alumni men piling on him and sometimes three. Despite this, Hank topped the Victoria sharpshooters with 12 points.

Nantals set something of a record in these parts for drawing personal fouls. He was taken from the game with three on him after about the first five minutes of play. When he was used in the last quarter to relieve his tiring teammates he drew the fourth before long. He and Tom Pendlebury were the only players banished on personals during the game.

Manager Howard Campbell and Coach Bill Butcher frequently roared their disapproval of the referees' calls but all to no avail.

Although beaten, Coach Butcher was far from down-hearted. "We'll win the next three games," he told us after the game. "The Dominos are not nearly as strong as I expected and with my boys rested up you'll see a different club on the court Monday."

Coach Eric Cox of the Dominos admitted the strength of the easterners. "We won tonight but the club will have to play better Monday if it expects to hold that Windsor gang," he said.

We got a laugh out of the lady behind us who screamed: "Stalling for time, eh Windsor?" The game had only started and the easterners were making a substitution.

DiMaggio May Prove Greatest

Great Outfielder of New York Yanks Being Rated With Speaker et al

NEW YORK (AP)—Every time you see Joe DiMaggio take that effortless swing of his, or race back against the boards to rob some luckless batter of a triple, you can't help a sneaking feeling that there, perhaps, is the greatest all-around ball player there has been.

There undoubtedly have been scores with more color, many who could run bases more spectacularly, a select few like Babe Ruth and Jimmy Fox who hit the ball a little further when they connect squarely, but one wonders if there has been one who could do everything quite so well.

Some old-timers who saw Tris Speaker in his prime say the "Grey Eagle" was a better ball player, but it hardly seems possible. Speaker, they say, knew more than DiMaggio does at this stage about playing for different batmen, hence had a quicker jump on the ball.

DEADLY SKILL

Possibly it is true. But DiMaggio starts so fast at the crack of the bat and goes so unerringly to the right spot that there could not be much difference. He roams centrefield and large chunks of right and left field with such deadly skill that he is bound to be a mental hazard to opposing batters. (His throwing arm is a slingshot.)

As for Joe's batting, the possibilities are limitless. Few doubt he will hit .400 almost any season now, with about 40 home runs into the bargain. Opposing pitchers this year will walk him purposely to get at Lou Gehrig nearly as often as they used to walk Babe Ruth. They've virtually quit giving him a ball to hit at in tight spots.

B.C. Boxers in East

MONTREAL (CP)—In charge of Al Bertrand of Vancouver, six Pacific Coast boxers arrived in Montreal yesterday to take part in the Dominion ring championships April 26 and 27 at the Forum here.

The squad includes: Jackie Turner and Kenny Lindsay, Pacific Coast and British Columbia flyweight champions; Gordon McConnachie, Pacific Coast bantam titlist; Jimmy Devine, British Columbia feather titlist; Nick Zeranda, British Columbia welterweight champion, and Gordon Woodhouse, Pacific Coast middleweight titlist.

B.C. RUGGERS WIN

(Continued from Page 9)

Doherty scored his second try after the brother when he ran between the goal posts untouched and Tangi Moran made the convert.

OPENS SCORING

Early in the game, George Biddle, Canadian five-eighth, missed a set-up penalty kick from mid-field. Repeated All-star passing rushes kept the visitors behind their 25-yard line until a rush, Moran to Beaumont, sent Doherty over for a Canadian score.

Moran missed an easy conversion attempt from directly in front of the goal posts.

A penalty on the visitors two minutes later gave the All-stars a lead. Fullback Mullen made it good from the 20-yard line.

With the score tied at 3-3, the Canadians sent a dribbling rush, Alexander to Murdoch to Payne to Bray, over for their second try. Biddle converted to give the Canadians an 8-3 edge at half time.

Returning Moran's second-half kick-off, the All-stars drove twice to the Canadian 20-yard line, but the kicking toe of Brent Murdoch eased pressure on the visitors. A Canadian passing rush, Simpson to Gornall, resulted in a scrum on the All-star 10-yard line. Halfback Goepel speared the ball

Baritone Wins Medallion

Thomas Crabbe Takes Festival Honor; Winnifred Applegate Gets Rose Bowl

Thomas Crabbe, baritone, carried off the highest honor of the Victoria Musical Festival—the City of Victoria Medallion—as the festival ended in the Empire Theatre on Saturday night.

Mr. Crabbe, winner of the open men's operatic class, sang the "Largo Al Factotum" from Rossini's "Barber of Seville," in competition with Lois Hamblett, pianist; John Pepper, violinist, and Winnifred Applegate, soprano.

A few minutes earlier, Miss Applegate had taken the other main award of the festival, the Rose Bowl, with a mark of 170 for her singing of "Yellowhammer's Song" and Becker's "Springtime," in competition with Jay Taylor Pogson, baritone, who was awarded 168 marks for his singing of Cyril Scott's "Night Song" and Schubert's "My Lone Abode."

The Rose-Bowl finals were adjudicated by George Dodds, and the medallion class jointly by Mr. Dodds and Arthur Benjamin.

Mr. Crabbe's performance in the latter class was commended for its good pace, clarity of diction, details, definition and humor.

Mr. Dodds called Miss Applegate "a young girl with a very promising voice indeed," and added: "I think she'll be a credit to Victoria before she has finished." He warned her against pressing her voice too much, with the risk of losing its present bloom and velvet quality.

Both Miss Applegate and Mr. Pogson had entered the championship class on the strength of victories in Grade A classes of the 1938 festival. They had competed with five other singers in the preliminary round of the class, held at an afternoon session in First Baptist Church.

Of the five, John Bray and Barbara Dawson were awarded 168 marks each by Mr. Dodds; George H. Farmer, 167; Harry Wade, Tacoma, 165, and Frank Ivings, 163.

"The general standard of singing in this class was very good indeed," said Mr. Dodds. He went on to explain that he judged the classes of this character by setting up an ideal of performance and measuring each performer against it, after the fashion of a game against par at golf, rather than against the other competitors.

YOUNG TEAM WINS

Two very young performers, Phyllis Muriel Hick and her brother, William Bernard Hick, won first place in the senior class for two pianos, at the evening session, with a mark of 85-87-172, in competition with Jean Routley and Doreen Briggs, who scored 83-81-164.

The Hick duet will share the Harold Samuel Memorial Trophy, presented by Mrs. J. O. Cameron for the highest marks for any performance of a Bach piece in the festival, with Margaret Walten, Grace Genn and Gilbert Margison, winners of the chamber ensemble class, who gave an exhibition performance during the evening.

The Grosvenor Singers carried off the Daily Colonist Challenge

to Victoria before she has finished." He warned her against pressing her voice too much, with the risk of losing its present bloom and velvet quality.

YOUNG PIANIST HONORED

Lamar Crowson, 12-year-old Portland pianist who was the sensation of the festival, was unable to compete in the medallion class, which is limited to Vancouver Island performers, but played four pieces during the evening. He also received the Fletcher Bros. Cup for the highest marks in all instrumental classes.

The Rose Bowl, which is presented by the British Columbia Electric Railway Company, was won last year by Margaret Myles of Tacoma, who did not take part in this year's festival.

Both Miss Applegate and Mr. Pogson had entered the championship class on the strength of victories in Grade A classes of the 1938 festival. They had competed with five other singers in the preliminary round of the class, held at an afternoon session in First Baptist Church.

Red Chevrons Hold Reunion Banquet

The career of Adolph Hitler, what he has accomplished and how he did it and his future aims in Europe, were told by Capt. Elmore Philpott in an address to 100 members and guests of the Red Chevrons Association gathered in Spencer's dining-room Saturday night for the annual reunion dinner.

The guest of the evening was Lieutenant-Governor E. W. Hamber, who voiced his interest in returned men and told of the pleasure he received from associating with them.

Others seated at the head table were Louis Glazen, president; Brig. J. Sutherland Brown, Col. J. Lightbody, Col. Lorne Ross, Col. Urquhart, Lieut. Col. E. Pepler and Major J. C. Holmes, Gen. J. C. Stewart, D.O.C., M.D., 11. Col. Ross Napier wrote regretting the was unable to attend.

Toasts and entertainment featured the evening. Cecil Heaton's orchestra provided music and other entertainment was provided by Len Foster, Buster Crabbe, Alf Adams, Al Prescott, Bill Holmes, Bill Anderson, G. Petticrew, W. Gaunt and M. Gonnell.

Suggests Result Of Price-fixing Would Destroy Oil Business If General Counsel Says

The broader import of the province's efforts to fix prices for gasoline and petroleum products was noted by Senator J. W. deB. Farris, K.C., oil companies' counsel, as the province's appeal from the ruling declaring price-fixing clauses of the act ultra vires continued before the Court of Appeal today.

If every province and local administration possessed powers to fix prices, what would happen to the industry? the senator asked, suggesting it would be destroyed if such a condition arose.

He continued his contention that the industry, in its integrated international aspects, was not subject to provincial price-fixing legislation and presented several references regarding the province's limitations in respect to regulation of trade and commerce.

In the general field of trade, regulation, he said, was a power of the federal government.

"Price-fixing in British Columbia," he stated, carried a far wider effect than merely changing a profit account to a loss account in a California company's statement of B.C. operations.

Criticism of alleged extravagant methods of distribution and arbitrary price fixing, as indicated in the Macdonald report, were blows at the timbers which were actually the props which held up the whole structure of the business, as it was now carried on, the senator said.

Cars driven by P. K. Cummings, 3044 Orilla Street and Leonard N. Mawle, Shawinigan Lake, were badly damaged in an accident yesterday afternoon at Cook Street and Queen's Avenue, a city police report said. There were no personal injuries.

A certificate of public convenience has been issued to White Rock Waterworks Co. Ltd. for improvement of their service, it was announced at the Legislative Buildings today. The certificate, granted on recommendation of the Public Utilities Commission, will allow the company to install a new pump with a capacity of 275 gallons per minute, and a new pump-house.

A varied program will be given tonight, under the auspices of Premier Loyal Orange Lodge, at the Orange Hall, Courtney Street. The Lamp Black Minstrel Boys will entertain with comic songs, jokes and skits. Spencer's Glee Club Songsters, Mrs. Bert Noel, Mrs. J. S. Patterson and Arthur Jackman will sing. A short address will be given by W. G. Gamble on "Organism."

The final rehearsal for the Victoria Choral and Orchestral Union's recital will commence at 7 on Tuesday evening and not at 7.30 as previously announced. The soloists for the recital on Wednesday evening in Christ Church Cathedral will be: Dorothy Parsons, Kathleen Barraclough and Dudley Wicklett of Victoria and Philip Watts of Vancouver. The doors of Christ Church Cathedral will be opened at 7.15 Wednesday evening and the performance will start at 8.

TOWN TOPICS

The monthly meeting of Ward Two Liberal Association will be held at headquarters tomorrow night at 8.

Officials of the Embargo Committee report that the signature campaign in Victoria is progressing favorably, but that it will continue until 12,000 signatures have been secured here.

There will be a meeting of the Vancouver Island Class "A" Chauffeurs' Association in the Buffalo Hall, 1228 Langley Street, this evening at 8. All class "A" chauffeurs are urged to attend.

The board of directors of the Pacific Great Western Railway met in Premier Pattullo's office this morning, but no announcements were made at the conclusion.

Victoria and Island Life Underwriters' Association will meet at Terry's, at 12.15 tomorrow afternoon. J. J. Murray, superintendent of agencies for the Dominion Life, will be the speaker.

The final meeting of the year of the Y.M.C.A. Toastmasters' Club will be held Wednesday evening at 6.15 in the association building. Each member will give a two-minute talk on subjects that will be allotted them.

The Credit Granters' Association will lunch tomorrow in Spencer's dining-room. The secretary of the association, Harry B. Dawson, who returned last week from California, will speak on "Highlights of the San Francisco Fair."

John Day, unsuccessful plaintiff in a Supreme Court action here recently aimed at outlawing the property-owners' vote on the street car agreement, was taxed \$133.10 costs at the Courthouse today. Costs were awarded the city in the action.

Winslow Kay, 69 a bachelor of Tala Creek, was killed by asphalt Friday night when his car overturned on the highway near Kimberley, B.C., according to B.C. police radio advice. The car ran off the highway and Mr. Kay was pinned under the steering wheel.

A car owned by W. H. Yardley, 648 Moss Street, had the back fender and tail light damaged while it was parked outside his house early Sunday morning, a city police report said. Two neighbors heard the crash but no trace of the offending car was found.

Ennis McKort, 12, 1737 Haultain Street, a cyclist, suffered bruises and had her bicycle damaged when she was knocked down by a car Saturday evening at King's Road and Shelbourne Street. A city police report said the girl was struck by a car driven by Charlie Kee, 839 Johnson Street.

The government has set May 10 as the date for a vote on beer-by-the-glass in New Westminster, it was announced today. John J. Johnston was appointed returning officer. It is the third time the town has voted on the issue. On each of the previous occasions the voters refused to sanction beer parlors.

Motorists contributed a total of \$32.50 in fines in the City Police Court this morning as police renewed their drive on parking violators. Five were fined \$2.50 each for over-parking, four were fined similar amounts for parking on the streets between 2 and 6.30 in the morning when the street sweeper is making its rounds and two were fined \$5 each for exceeding the 15-mile-an-hour speed in the new zone on Pandora Avenue.

In response to a request for information, Rev. Robert Connell, an hon. vice-president of the Society for Preservation of Native Plants of British Columbia, is contributing a weekly bulletin on the wild flowers of Vancouver Island to Richfield's radio program, which consists of a broadcast every Friday evening, giving descriptions of the countryside, and suggestions for week-end trips, as well as the issue of a booklet containing details of the flora of the various regions.

Employees of the works and offices of Canadian Industries Limited at James Island and Victoria will receive a full day's holiday and a day's wages on May 30, it was announced today from the head-office of the company in Montreal. The holiday, which is being given to commemorate the visit of Their Majesties, will allow employees leisure to see the King and Queen and to participate in the celebrations. The holiday applies to all of the company's plants and offices throughout Canada. Those who unfortunately are unable to participate in the holiday, due to working on continuous process operations, will receive an extra day's wages in place of the holiday. One hundred and fifty-five local employees and their families are expected to take advantage of the arrangement.

JEWELRY THIEVES GET THREE HAULS

Two Homes in Victoria and One in Oak Bay Entered

Prowlers busy in Victoria and Oak Bay over the week-end entered three homes to steal jewelry in each case.

In Victoria the homes of D. D. Ritchie, 1173 Oxford Street, and F. B. Morrison, 1102 Queen's Avenue, were entered. From the Ritchie home a green jade gold necklace, a brooch, a gold bracelet valued at \$70, a school pin, a ring set with two diamonds and a sapphire, a bar brooch, a silver ring and \$180 in cash were stolen.

Police found no sign of entry and occupants of the house said the premises were at no time unoccupied over the week-end.

The Morrison home was entered Friday night, the theft being reported Saturday evening. A cross and crown gold pin, an Eastern Star pin, two gold rings and \$150 in cash were missing.

J. Henderson, 2287 Windsor Road, Oak Bay, told police his home was entered Saturday afternoon. The loot included a gold necklace with brooch to match, gold pendant earrings, a gold wrist-watch, a gold bracelet, a gold child's ring and \$6 or \$7 in cash.

CUT-MAKER ON WORLD JAUNT

A. G. White, Johannesburg Hopes Sir Abe Bailey Wrong About War

"He's a very well-informed man, but I hope he's wrong," said Archibald G. White, principal of the Electric Process Engraving Company of Johannesburg, South Africa, when told at the Empress Hotel today that Sir Abe Bailey, South African diamond magnate, had predicted the outbreak of a general European war by June.

Mr. White, with his wife and daughter, Margaret, is planning to sail by the liner Queen Mary from New York May 10 for London. He is en route home from a world tour which includes Australia and Canada.

Mr. White has been a resident of South Africa for 45 years and heads the largest cut-manufacturer concern there, with establishments at Johannesburg, Durban and Capetown. Since his arrival in Victoria over the week-end, the White family has been seeing all they could of Victoria and district, including trips to Butchart's Gardens and over the Malahat.

"Victoria is a beautiful city," he said, "I am sorry we can't stay longer to see more of it."

SPRING CAMPAIGN OF C.C.F. OPENS

The C.C.F. opened its spring campaign in Saanich last week when candidate Ronald Grantham of Ladysmith, party candidate in the Nanaimo federal constituency, addressed two meetings. On Friday evening he spoke at Lake Hill and on Saturday evening he addressed a gathering at Sidney.

The keynote of both addresses was, "Only an informed and reasoned vote can save democracy." "Many people have no clear idea of what the C.C.F. really is," he said. "It is a practical party with a practical solution to the problems of producer and consumer, of youth, of working people and democracy."

"All that is best in our way of life is in jeopardy today," he continued. "It can only be saved if we, as a people, learn in time to make democracy work and develop." The great task of education today was to bring man to an understanding, to deal sanely and ably with the problems of society.

A new C.C.F. club was organized for study and election work in North Saanich.

Oak Bay Prepares For Road Program

Notices of 21 street-paving and sidewalk-building projects under the local improvement plan were sent out from the Oak Bay Municipal Hall over the week-end to the ratepayers affected. Any of the projects can be turned down if half the property owners concerned register their opposition during the next month.

The projected work, with an estimated cost of \$24,000, is chiefly paving of short streets in the southern part of the municipality and the building of sidewalks on such main traffic arteries as Central Avenue and Transit Road.

TWILIGHT RECITAL
Sunday afternoon the twilight recitals were brought to a close by the Ariel Singers under the direction of Frank Tupman. An enjoyable program was given, assisted by H. L. Harmsworth, baritone. The choral groups were beautifully and artistically sung, especially in soft passages and on sustaining notes. Mr. Harmsworth's baritone voice was heard to advantage in "Out of the Deep" and "Sunshine and Rain."

OBITUARY

MORRISON—The funeral of Mrs. Mary Morrison was held Saturday afternoon from McCall Brothers' Funeral Home. Rev. Hugh McLeod, pastor of First United Church, conducted the service.

Interment was in the family plot in Ross Bay Cemetery and the following were pallbearers: J. Strang, W. P. Bassett, J. A. Heritage, D. B. Christopher, J. O. Clay and N. Grant.

THOMPSON—The funeral of George Thompson took place Saturday afternoon from the Thomson Funeral Home. Rev. A. Bischoff conducted the service. Interment was in the family plot in Ross Bay Cemetery. The following were pallbearers: T. J. Sader, J. Paxton, F. Pick, C. N. Brown, F. Higgins and Sergeant-Major A. E. Evans.

RAYMUR—Arnold Raymur, a native son of Victoria, died at his home in Seattle yesterday, after a long illness. Mr. Raymur was born here in 1886, a son of the late Mr. and Mrs. James L. Raymur of this city, and a grandson of the late Hon. D. W. Higgins, first Speaker of the British Columbia Legislature. He leaves his widow and an adopted son in Seattle; a brother, Kenneth Raymur in Vancouver, and two uncles, Frank Higgins, K.C., of Victoria, and Dr. Paul Higgins in California.

GRIFFIN—Mrs. Mary Anne Griffin, formerly of 632 Hillside Avenue, died this morning at 857 McClure Street, aged 79 years. She was born in the Isle of Wight and moved to this city 25 years ago from Winnipeg.

She leaves two daughters, Miss Beatrice Griffin, 2610 Government Street, and Mrs. W. M. Baird, Winnipeg; and three sons, Albert, Yakima, Wash.; Nelson, in Vancouver, and Clifford, at 3120 Davin Street. Mrs. Griffin was for many years a member of Centennial United Church. Announcement of funeral will be made later by S. J. Curry and Son.

DALLING—William Richard Theodore Dalling, a returned soldier, of 2654 Roseberry Avenue, died this morning in the Royal Jubilee Hospital, aged 55 years. He was born in England and had been a resident of Victoria for 12 years. He is survived by a niece, Mrs. Elizabeth Richmond, with whom he resided. Funeral arrangements will be announced later.

WINNIPEG (CP)—R. C. McPhillips, pioneer land surveyor of western Canada, died yesterday. He would have been 84 today.

Born at Richmond Hill, Ont., he came to Winnipeg at the age of 17 to assist his father, the late George McPhillips, who in 1871 was commissioned to survey land acquired by the Dominion from the Hudson's Bay Company. Later he opened his own land survey office in Winnipeg.

Mr. McPhillips laid out the townships of Edmonton, Calgary, Medicine Hat, Alta.; Battleford, Sask., and Moose Jaw, Sask., among others.

Local Dramatist Named B.C. Head

Major L. Bullock-Webster
Regional Chairman of Dominion Festival

Major L. Bullock-Webster was appointed British Columbia regional chairman of the Dominion Drama Festival at a meeting of drama groups held in the Victoria Little Theatre headquarters, Rockland Avenue, Saturday night. His appointment will be forwarded to the Dominion body at Ottawa for approval.

Major Bullock-Webster succeeds Captain T. L. Thorpe, Double of whom he voiced appreciation for work done for the drama festival in his appointment address.

A motion was passed that the new chairman appoint his own committee. The committee, when chosen, will select the place for the next regional drama festival, which has been held in Victoria for the last two years.

The remainder of the meeting was taken up with annual reports by Captain Thorpe-Double, the retiring chairman, E. T. Simons, secretary and H. F. Hewett, treasurer.

The financial statement showed total production receipts as being \$1,638.95. A profit of \$507.58 was realized, an increase of \$290 over last year's profits. Four hundred dollars was given the Nanaimo drama group which took part in the eastern finals, leaving a substantial balance.

Beauty By-law Before Stylists

Hairdressers Would Confine Operating To Licensed Shops

Efforts now being made to secure the passage of a by-law requiring that hairdressing be done only in licensed beauty parlors that are subject to rigid sanitary inspection were discussed by the hairdressers of Vancouver Island at their first annual meeting and demonstration held last week at the Empress Hotel. Operating from house to house is not believed to be in the best interests of the customer as such operators are not subject to the inspection that applies to beauty parlors and it has been known where one operator working where sickness has been in the home, has gone from that home to another, using the same equipment. A very strong stand was taken by both the employers and employees of beauty parlors against the house to house operating, as it was felt that this was unfair competition to those places of business that were called upon to pay a city license and have the overhead of a shop to keep up.

An inspection of the Victoria hairdressing establishments had revealed a very high standard and not only was the equipment used, above the average, but it was evident that shops kept in touch with the newest trends and that patrons were enjoying the most modern methods of hair styling.

Mrs. Dorcas Enright of Vancouver, chairman of the examining board, presented the report of the examining board.

W. V. Hillier of Vancouver, president of the Hairdressers' Association of British Columbia, reported on the year's activities and referred to the success the association had had in having eliminated from the press advertisements of hairdressers featuring some particular branch of hairdressing at a special price or fee, for the purpose of attracting customers to their places of business.

Howard Tyrrell, chairman of the local committee, presided over the hotel banquet.

Hon. George S. Pearson, Minister of Labor, was the guest speaker. Mr. Pearson discussed the detail of the Hairdressing Act, Minimum Wage and Hours of Work Act.

In the evening a demonstration was held in the dining-room of David Spencer Ltd., conducted by the hairdressers of Victoria and the Island.

The committee responsible for the general arrangements of the banquet and the demonstration were: Howard Tyrrell, chairman; Mrs. Frances Renfrew, secretary; Mrs. Ada B. Chatton, Miss Marie Frankling, Geo. Dudley Stephens, Berri Waude, Freeman, B. York.

LUMBER EXPORT RECORDS GAINS

British Columbia's waterborne lumber trade in the first three months of 1939 showed a healthy increase over 1938, according to Pacific Lumber Inspection Bureau figures made public today.

Shipments to all points totaled 33,055,858 board feet in the quarter, compared to 292,434,021 feet last year.

Foreign trade totaled 255,897, two cities, and hoped the visitors

Empire markets held up well to last year's mark. Although shipments from the United Kingdom were down from 181,000,000 to 167,000,000 feet, Australia took 36,000,000 against 34,960,000 feet and Africa 11,000,000 feet against 5,600,000. There was something of a revival in the Oriental trade, China taking over 18,000,000 feet against 12,666,000 feet last year and Japan 2,000,000 feet against only 94,000 last year.

Dramatic Romance

George Raft and Sylvia Sidney, co-starred several years ago in Paramount's "Pick Up," are currently seen together in the same studio's "You and Me," a dramatic romance of a girl on parole who's forbidden to marry, which opens today at the Columbia Theatre.

Paramount has had Raft under contract now for several years. Miss Sidney, who won first success in this type role in "Ladies of the Big House," made such recent notable successes as "Fury," "Mary Burns, Fugitive" and "You Only Live Once."

Football Location

There's always the dog that runs out onto the football field at the half to give the crowd something to laugh at and start whistling. And it was no exception when rugby scenes were being filmed for "The Duke of West Point," the Edward Small production which has its premiere showing at the Plaza Theatre today.

A huge lawn was converted into a replica of the field on which the rugby teams of Cambridge and Oxford hold their annual competitions in England. Thirty trained rugby players, former members of noted English teams, were assembled.

After several rehearsals, during which Louis Hayward, who shares top acting honors in the picture with Joan Fontaine, Tom Brown, Richard Carlson and Alan Curtis, brushed up on his rugby playing, Director Alfred E. Green gave the order to "shoot." Just as the cameras started grinding and the ball went into play, a bull terrier dashed out on the field, ruining the takes.

Spring Byington

When Spring Byington learned that she could receive as much as \$25 a week as an actress, she promptly decided upon a theatrical career.

Recently, Columbia paid the brilliant comedienne many times more than that initial \$25 a week, and at the same time handed her the most coveted and enjoyable role in recent years. Miss Byington was cast as Penelope Sycamore, the erratic, amateur playwright of the superb new Frank Capra production, "You Can't Take It With You," which is now at the Atlas Theatre. Jean Arthur, James Stewart, Lionel Barrymore and Edward Arnold are others in the Capra screen version of the George S. Kaufman-Moss Hart Pulitzer prize play.

Laughs and thrills are intermingled happily in "Society Lawyer," featuring Walter Pidgeon, Virginia Bruce and Leo Carrillo at the Dominion Theatre Tuesday.

In addition, you will find Walter Pidgeon actually "winning the girl" after repeatedly losing her to such competitors as Clark Gable, Nelson Eddy and James Stewart in previous films.

This fascinating murder-mystery story reveals the efforts of Pidgeon, Miss Bruce and Carrillo to save the life of an innocent man.

Among others in the supporting cast are Eduardo Ciannelli, Lee Bowman, Frances Mercer, Ann Morris and Herbert Mundin.

Air System Is Second to None

Great Public Utility,
Says Hon. C. D. Howe of
Canada's Air Service

MONTREAL.—"I think I may say that everyone in Parliament is well pleased that we have preserved the operation as a public utility," said Hon. C. D. Howe, Minister of Transport, speaking of the Trans-Canada Airlines to the members of the Montreal Reform Club here. He was the guest of honor at a luncheon given by the club and the speaker was Philip G. Johnson, vice-president of TCA.

The airline, Mr. Howe said, was built for the people of Canada. Its earnings were insured, but any surplus was to be returned to the state in reduction of the cost of carrying mail. Discussing the route, the radio-range and meteorological system, the TCA personnel and equipment, he declared that when it was completed Canada would have an air transport system second to none in the world. The work, he pointed out, had not been finished with the inauguration of passenger service between Montreal and Vancouver. The line to Moncton was to be opened this year and auxiliary services must be developed. A Quebec loop was also under consideration. The most important single factor in bringing the TCA to the position it held today, the minister said, was the appointment of Mr. Johnson as vice-president in charge of operations. He was the "number one aviation expert on this continent."

Beginning his address with a survey of aviation history in Canada, Mr. Johnson paid tribute to the "bush operators," who had done an enormous amount of good helping in developing the rich mining of the north. In 1937 they had carried 25,000,000 pounds of freight as compared with 7,000,000 pounds carried by all the commercial lines in the United States. In other ways, he indicated, the Dominion was ahead of the United States. Canada's airway had been planned for the future. Of 2,200 airports in the United States, only 36 had, or were capable of expanding to, runways long enough—4,000 feet—for modern operations. The Canadian radio range system would probably surpass any in the United States. He predicted that the Department of Transport's meteorological service would be a pattern for other countries.

Speaking of air mail in Canada, Mr. Johnson said that it now averaged 1,000 pounds daily, when it reached 2,000 to 2,500 the mail service would be self-sustaining. Over a month, test letters had been sent across the continent by both TCA and United States airlines. They always arrived first over the all-Canadian route.

Expedition Seeks Merida Treasure

NORFOLK, Va. (AP)—The legendary treasure which is supposed to have gone down with the ill-fated Merida 28 years ago still calls to those who would open the vaults of Neptune.

The 1939 treasure-hunting season was officially opened with the arrival here of Cavalier Luigi Faggiani and Dr. Mario Silvestri, leaders of an Italian expedition making a second attempt on their part—to dig down in old Davy Jones' pockets for the silver, gold, and perhaps jewels, which the Merida carried down in May, 1911.

They came over ahead of the treasure-hunting ship, Falco, which was approaching the Virginia coast today after sailing from Spezia, Italy, March 17. She is due to arrive Tuesday.

The treasure, variously estimated all the way from \$500,000 to \$6,000,000, lies in 225 feet of water, 65 miles off Cape Henry, where the Merida foundered when rammed by the Admiral Farragut.

Yacht Sanspeur At Vancouver

Craft to Await
Duke of Sutherland's
Return to Coast

VANCOUVER (CP)—The 210-foot motor yacht Sanspeur, one of the few private yachts privileged to fly the Royal Yacht Squadron ensign, was anchored in mid-stream in Vancouver's harbor today.

The white vessel, owned by the Duke of Sutherland, arrived here yesterday with her crew of 25 men under Capt. A. Thomas. The Duke and Duchess of Sutherland and a party of guests recently broke their hunting and fishing trip to the Pacific coast, returning to England from Los Angeles due to the European situation. They expect to rejoin the craft here shortly.

The Sanspeur, while bound here from Panama, ran aground on the Mexican coast, and the Duke and his party was transferred by another vessel to Los Angeles. Necessary repairs to the diesel yacht were completed at Los Angeles before she continued her northward cruise.

CLIP 15 MINUTES OFF TCA TIME

Victoria Plane to Arrive Earlier After May 1

VANCOUVER—Effective May 1 Trans-Canada Airlines clips 15 minutes off coast-to-coast time with the commencement of summer schedules, it is announced by W. J. Dalby, district traffic manager. Eastbound passengers reap a definite advantage under the new times. The eastbound plane will leave Vancouver at 6 p.m. instead of 6:45, so that the scenic flight over the Rockies will be accomplished wholly by daylight as the days grow longer. Arrival in Vancouver from the east will be 11:05 a.m., instead of 11:35.

Walter E. Gilbert, superintendent Pacific division Canadian Airways, states the Vancouver-Victoria service operated by that company will continue to make direct connection with TCA east and westbound trips under the new schedules. Arrival times in the east are more convenient, reaching Toronto at 11 a.m., Ottawa, 10:50 a.m. and Montreal 11:50 a.m. It will now be possible to arrive at the Banff summer resorts in the Rockies the same evening as departure from Victoria. This is a time record for reaching the mountain playgrounds from the coast.

Chief Forester of New Zealand Coming

VANCOUVER (CP)—Hon. Frank Langstone, Chief Commissioner of Forestry for New Zealand, is expected to arrive in Victoria next Thursday from Seattle with his wife and secretary.

The party will make a brief inspection of Vancouver Island logging operations before crossing to Vancouver on Friday.

Rare Ring Worn By Chief Engineer

VANCOUVER—The chief engineer of the British freighter S.S. Nalissa Manor walks around with a comfortable chunk of property in his pocket and a priceless semi-jewel on his hand.

The sunshine gleams red on the gold-embossed cameo seal that adorns his finger, as it did in the days when it was new and was the official seal of some Phoenician officer over 2,000 years ago. Museum authorities have accredited its bona fides and the chief is rightly proud of his possession. He obtained it on one of his many voyages.

In his pocket four copper coins rub faces. One was in circulation when Helen was in being. There is another that was created when George III was King and one that was coined when Victoria was a girl.

Shadow Merchant Navy

LONDON (AP)—The Daily Mail (Independent) today said complete crews of trained men for more than 200 now inactive cargo ships could be provided from the civilian population at a moment's notice in case of emergency.

The newspaper said it learned of the existence of a "shadow merchant navy" when it sought further information on the recent announcement by Oliver Stanley, President of the Board of Trade, that British shipping companies must offer any ships to the government before trying to sell them elsewhere.

Wheat

WINNIPEG (CP)—Lack of export demand for Canadian wheat, together with a slightly easier trend at Liverpool, caused wheat futures prices to slip fractionally lower at Winnipeg today. Final quotations were % to 1/4 cent lower, May at 60%, July 61% and October 63%.

Minor purchases by mills and southern houses accounted for most of the support in the pit. No week-end export sales were confirmed.

Liverpool finished unchanged to 1/4 down. Chicago was a little lower while Buenos Aires remained unchanged.

Cash wheat trading was small. Pit trade in coarse grains uncovered light southern buying in rye.

Early Rally Fails to Hold

NEW YORK (AP)—The stock market lost heart today when an early mild rally failed to follow through and initial gains running to a point or so for leaders were converted into declines of as much as the close.

Activity picked up a bit in the first hour, but later dropped to almost zero. Transfers of approximately 400,000 shares made for another one of the slowest sessions since last June.

Stocks backing away from the forenoon flourish included U.S. Steel, Bethlehem, Chrysler, General Motors, Sears Roebuck, International Harvester, Douglas Aircraft, Santa Fe, Standard Oil of N.J., Kennecott, Eastman Kodak and Loft.

Resistant were American Telephone, American Smelting, American Can and Consolidated Edison.

PRICES UNCHANGED

TORONTO (CP)—Toronto Stock Market today closed practically unchanged. Aggregate turnover was about 275,000 shares. Smelters and Noranda clung to fractional gains.

The close was up for God's Lake, Gunnar, Howe, Leigh and Bobjo. Minor gains were netted by Pioneer, Cariboo, East Malartic and Hard Rock. Hollinger added %.

Changes Narrow

VANCOUVER (CP)—Changes were narrow on the forenoon session of Vancouver Stock Exchange today. Trading was slow and transactions totaled 28,565 shares.

Brallorne Gold slipped 5 cents to 10.25 and Premier dropped 2 to 1.88. Reno at 23 and Sheep Creek at 1.07 each eased a cent. Among the unchanged stocks were Cariboo Gold Quartz at 2.15, Hedley Mascot at 1.13, Kootenay Belle at 1.20 and Privater at 1.08.

Brallorne Gold slipped 5 cents to 10.25 and Premier dropped 2 to 1.88. Reno at 23 and Sheep Creek at 1.07 each eased a cent. Among the unchanged stocks were Cariboo Gold Quartz at 2.15, Hedley Mascot at 1.13, Kootenay Belle at 1.20 and Privater at 1.08.

Chief Forester of New Zealand Coming

VANCOUVER (CP)—Hon. Frank Langstone, Chief Commissioner of Forestry for New Zealand, is expected to arrive in Victoria next Thursday from Seattle with his wife and secretary.

The party will make a brief inspection of Vancouver Island logging operations before crossing to Vancouver on Friday.

Rare Ring Worn By Chief Engineer

VANCOUVER—The chief engineer of the British freighter S.S. Nalissa Manor walks around with a comfortable chunk of property in his pocket and a priceless semi-jewel on his hand.

The sunshine gleams red on the gold-embossed cameo seal that adorns his finger, as it did in the days when it was new and was the official seal of some Phoenician officer over 2,000 years ago. Museum authorities have accredited its bona fides and the chief is rightly proud of his possession. He obtained it on one of his many voyages.

Shadow Merchant Navy

LONDON (AP)—The Daily Mail (Independent) today said complete crews of trained men for more than 200 now inactive cargo ships could be provided from the civilian population at a moment's notice in case of emergency.

The newspaper said it learned of the existence of a "shadow merchant navy" when it sought further information on the recent announcement by Oliver Stanley, President of the Board of Trade, that British shipping companies must offer any ships to the government before trying to sell them elsewhere.

Men Who Build Houses

6—THE PLUMBER
A plumber was speaking, Jim McCabe, a man who has followed the plumbing trade for 25 years. "I wish more people would come to us in the way you are doing," he said. "Then they could find out some facts about our work. Most people think a plumber is a person who just fools around, and then charges them a lot of money for it!"

Plumber putting in a bathroom fixture.

"What is the hardest part of your work?" I asked.

"It's all hard," he replied with a smile. "Maybe the hardest part is to seal the joints, and seal them in the right way. If this is not well done, there is likely to be a bad leak which will damage the building and cause the owner expense."

"How do you go ahead with your work when you have to do the plumbing for a new house?"

"First we must find the location of the city water pipes and the sewer. Next we make a layout of the plumbing system for the house, connecting the bathroom, kitchen and so on with the city pipes. The size and kind of pipes will depend on public laws, and on the number of fixtures in the house."

"I use steel pipes all through a house for water, but outside I lay copper pipe. The water pipe comes in 20-foot lengths. It usually is one inch in diameter. The cast-iron sewer pipe comes in five-foot lengths; it is coated with tar, and we put lead on the joints."

"At this point I broke in to ask 'How many feet of pipe do you use for an average house?'"

"That's hard to say," he replied. "It depends on the number of bathrooms and the distance from the city mains. In a small house there may be about 250 feet of pipe. In a large house, we may have to put in 1,000 or 1,500 feet, or even more."

"How about that little machine you always carry around?"

"We call that a 'plumber's furnace'. It has a gasoline tank with a gas tip or burner. Compressed air is let out, and it gives us a hot blast, in other words, a blowtorch. We need about 620 degrees of heat, Fahrenheit, to melt lead."

"We use pig lead, that is, lead which has been melted. It's good for our work because it stands up well under heat and under cold. It's rustproof, is a soft metal, and will talk tight. We pour it on hot, and after it cools we seal the edges around the joint with a caulking iron."

HOROSCOPE

Tuesday, April 25, 1939

Good and evil planetary aspects contend today, according to astrology. Adverse influences may dominate, especially in the evening.

In the early hours there may be clear vision regarding important matters, but power to carry out well made plans may be lacking.

Under this configuration constructive work may be hampered. Accidents and damage to machinery are indicated in factories. Caution in driving is enjoined.

The stars seem to prestage for those who exercise authority tenacious hold upon their power. This includes financiers as well as government executives.

In Europe dictators will encounter difficult crises. Many perils are foretold as spring advances. Economic problems will be desperately insistent in Japan as well as Germany.

The planetary government is threatening to industry. A leader is to lose either his life or his office.

The British Empire continues under dire portents that seem to menace the government. Diplomats and statesmen face great exigencies next month, it is forecast.

Preparedness measures will be pushed in America. Many manufacturers will enlarge their plants.

Persons whose birthdate it is have the augury of a year of ups and downs. There may be unexpected profits, but obstacles will be encountered by wage-earners here and there.

Children born on this day probably will be exceedingly

SIDE GLANCES

Dorothy Dix's Letter Box

DEAR DOROTHY DIX—I am a poor working girl. Have never seen the world. Never had an opportunity of meeting real people. Suddenly I meet a man who is very wealthy, good-natured, very desirable in every way, who falls in love with me and wants to marry me. But for some unknown reason I just can't tolerate him. My family are urging me to marry him, tell me I am a fool and that when you have money you have everything, and after I am married to him I will learn to love him. Is this true? Will a girl learn to love the man she marries, provided he is good to her?

GIRL.

Answer: Not if he is repugnant to her to begin with. If a girl likes a man and respects him, she may come to feel a very sincere affection for him based on her gratitude to him for being tender and kind and considerate to her, but if he is physically distasteful to her, or there is something about him that gets on her nerves so that everything he does and says irritates her, the case is hopeless.

You can't argue with that Dr. Fell feeling or overcome it, because you don't know what inspires it. You simply know that you just instinctively dislike a person and, no matter how good he is to you or how he loads you down with gifts and favors, you can't abide him.

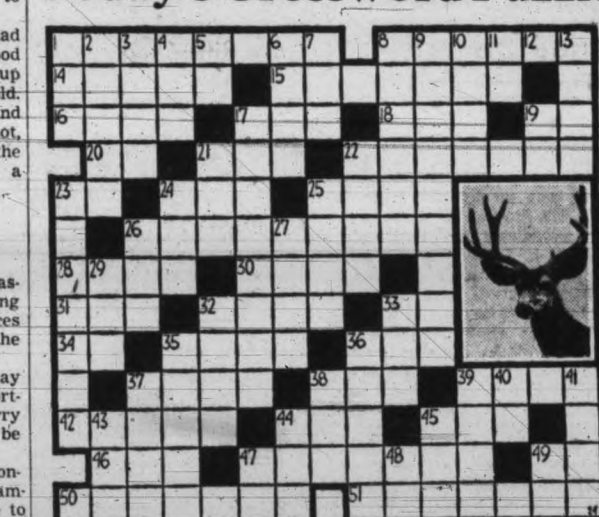

Personally, I do not believe that either men or women fall in love with their mates after marriage, except in rare cases. Marriage in which two people have to adjust themselves to each other's peculiarities and make sacrifices for each other is more apt to kill love than it is to inspire it. Don't marry any man you are not in love with. And don't believe your family when they tell you that money can buy married happiness. That is one thing that isn't sold over the counter.

DEAR MISS DIX—My husband started stepping out with one of the girls in his office during the latter part of our second year of married life. I found it out and left him, but he begged me to come back and I did. Do you think he is a habitual philanderer, or that this is just one of those things that sometimes happen and that he will go straight now? If he ever steps out again, I will leave, because I do not choose to be one of those long-suffering wives of philanderers.

Answer: Only time can tell whether he is a one-woman man or a many-woman one, but I think you acted wisely in giving him another chance.

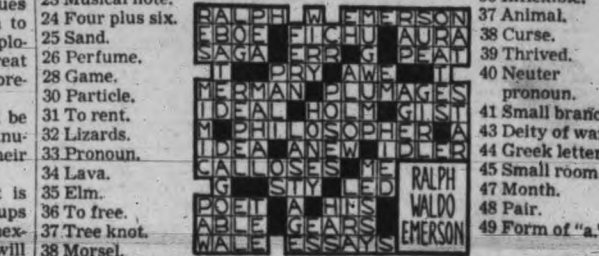

DOROTHY DIX.

FUN-MAKERS PERFORM TONIGHT — Members of the Royal Arcanum Minstrels are shown above as they prepared for the two-night showing of "Black Ko-Ko Nuts," which

opens tonight at the Royal Victoria Theatre. The curtain will go up at 8.15. From left to right are: Carleton W. Stocker, making up as Ko-Ko; Douglas R. Park, completing

his preparations to take the stage as an end man; Thomas Kelway, putting the final touches to his cheeks; Carl Brand, ready to go on as "Katisha," and Douglas Flintoff, in char-

acter as the gavel-rapping "High Ruler Noah." Proceeds from the show will be devoted to the Queen Alexandra Solarium.

Oak Bay Shows Hardy Picture

Mickey Rooney Scores Hit in "Out West With the Hardys"

Scenic wonders of the old west, and colorful life on a modern cattle ranch is background for the latest adventures of the Judge Hardy family in "Out West with the Hardys," coming to the Oak Bay Theatre today for a three-day showing.

"It was decided," said Director George E. Seitz, "that the Hardys needed a definite change from the familiar atmosphere of Carvel, their home town, which was the setting for 'Love Finds Andy Hardy.' To provide suitable western locales for the picture," said Seitz, "both Arizona and Southern California were combed for location sites. A month was required to find exactly what we wanted."

Mickey Rooney's Andy Hardy becomes a "rootin', tootin', shootin' terror of the range" in the film, which presents the favorites of the Hardy family, Lewis Stone, Cecilia Parker, Fay Holden, Ann Rutherford and Sara Haden.

Big Minstrel Show Tonight

"Black Ko-Ko Nuts" Offered at Royal to Aid Young Cripples

"Black Ko-Ko Nuts" the black-face minstrel show by members of Majestic Council Royal Arcanum, will be given at the Royal Victoria Theatre tonight at 8.15 and again on Tuesday night.

The show is being staged by the lodgemen in aid of the Queen Alexandra Solarium for Crippled Children and it is hoped that its success will make it a yearly endeavour.

Carl Stocker, who wrote and produced this show, also produced many popular minstrel shows put on by the Kiwanis Club. Mr. Stocker plays the principal comedian's role in the show which is in three acts. Thomas Kelway, Kenneth Ferguson, Douglas Flintoff and Douglas Park will also be seen in leading roles. The show opens with colored lodge in Alabama called "The Mystic Knights of the Ark" with High Ruler Noah officiating. There are 33 musical numbers in the production ranging from opera to modern popular songs with a chorus of 40 voices. It has been in rehearsal for over three months.

Where to Go Tonight

(As Advertised)

ATLAS — Jean Arthur in "You Can't Take It With You."

CAPITOL — "The Mikado" starring Kenny Baker.

COLUMBIA — George Raft and Sylvia Sydney in "You and Me."

DOMINION — "The Little Princess" starring Shirley Temple.

OAK BAY — Mickey Rooney in "Out West With the Hardys."

PLAZA — "The Duke of West Point" starring Louis Hayward.

ROYAL — On the stage, Royal Arcanum Minstrels in "Black Ko-Ko Nuts."

Dancing School's Recital On May 12

A large number of talented and versatile pupils of the Western School of Dancing will take part in the school's annual dance recital to be presented May 12 in the Empire Theatre under the direction of Dorothy Cox and Gwen Cox. Members of the Sidney and Duncan branches of the school will contribute to the program.

There will be a lengthy program of numbers to suit every taste — classical, operatic, tap, Spanish and Greek — and, as usual, a strong vein of keen humor will permeate the program.

CANADIAN AIRWAYS

TORONTO (CP) — Net loss of \$213,501, after all charges was reported today by Canadian Airways Limited, for 1938, compared with net loss of \$30,432 a year ago. Operating revenues decreased from \$1,137,184 to \$1,024,673.

LIEUT. GOVERNOR WITH VETERANS — Smilingly, Lieut. Governor E. W. Hambro listens to Louis Glazen, president of the Red Chevrons' Association, during a conversation at the Chevrons' annual reunion dinner held in Spencer's dining-room Saturday night. Capt. Elmore Philpott, well-known speaker and ex-serviceman, is on the right.

BRITAIN POLISHES UP HER DEFENCE — Britain's "spare-time" volunteer army has been given a task of mature proportions. The Territorials represent Britain's ground defence against air raids. These pictures show a gun crew in training at Shoeburyness, operating a new anti-aircraft gun of Swedish design. The shells are loaded in whips, and the rapid fire of a battery of these weapons is said to make a large zone in the air impenetrable to aircraft.

THIS IS THE CALIX MAJESTATIS — Among the treasures the British Government is to place on exhibition in its pavilion at the New York World's Fair is this priceless piece of plate, the Calix Majestatis or "Cup of Majesty." Made to commemorate the coronation of King George and Queen Elizabeth, it bears the Royal coat of arms with the familiar lion and unicorn, and is surmounted by a smaller lion. It is a fine example of the goldsmith's art which conditions of today give little scope for expression.

SHAMBLES IN PATH OF KILLER TORNADO — City Hall, garage and grain elevator were made shambles in Capron, Okla., above, by the tornado that killed approximately half a hundred as it swept over Texas, northwest Louisiana, Arkansas and Oklahoma.

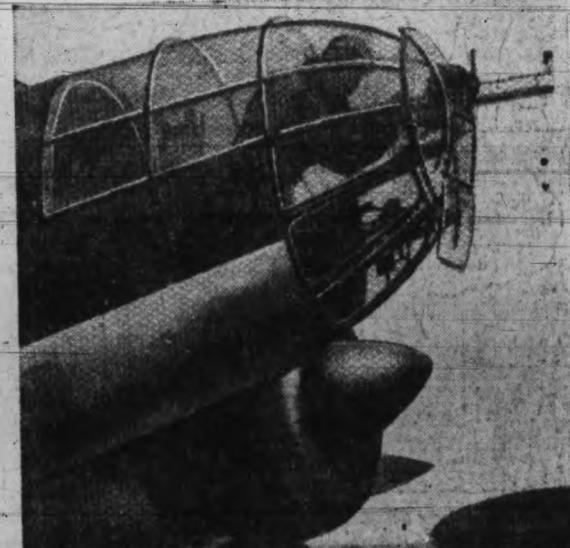

MRS. ROOSEVELT'S BOY — Lorenzo Murias, 12, Spanish war orphan was 'adopted' by Mrs. Franklin D. Roosevelt, through the Foster Parents' Plan for Spanish Children, an organization which rescues child war victims from concentration camps. Mrs. Roosevelt will pay 30 cents a day for Lorenzo's maintenance.

MONA COMES TO TOWN — Yesterday afternoon Mona ambled off the Seattle boat and tonight will make her appearance at the Willows Horse Show Building with the Shrine Band Circus. Mona is one of the star attractions at the circus, which also includes a fine lion act.

POPULAR TENOR TO SING HERE — Nino Martini, noted young tenor star of the Metropolitan Opera Company, radio, concerts and films, has been engaged by Hilker Attractions to appear in the Royal Victoria Theatre on May 17, as a gala climax to the musical season.

GUNNER IN PLANE VIEW — A glass "nose," giving the machine gunner full vision, features Poland's new-type bombers. An NEA Service photographer made this exclusive picture by special permission.
